A Flash Of Jammies:

School Trip Perdita Cargill, Honor Cargill, 2024-08-13 The sixth grade trip to a spooky castle is Bea's first time away from home and she's nervous. Can her friends help her overcome her fears and enjoy the trip? Living in Little Spellshire is the best, and Bea wouldn't want to be anywhere else. Even though she is VERY excited about her upcoming school trip, she's also a little nervous. It's her first witchy school trip and the farthest she's been from home and from Dad. The sixth graders will be going to one of the spookiest castles EVER. Can Bea overcome her fear of being away from home and enjoy the trip? Maybe with the help of her friends. With black and white illustrations throughout. Told through Bea's diary entries. The Diary of an Accidental Witch series invites readers to follow Bea on a humorous journey of self-discovery as she learns where she truly belongs.

Jingle Jammies Robyn Neeley, 2021-10-20 She'll find her true love in a snowfall. Or so Charlie Dobbs's late mother always predicted. But surely that prophecy didn't apply to towing a famous pajama designer out of a ditch. Besides, Charlie has no time for love; the season always has its share of wrecks. Her schedule is packed with Elfcapade festivities, and she's ditching her mechanic overalls and moving to New York City right after Christmas. Spencer Carmichael would rather be in the Bahamas, but his famous holiday pajamas have failed for the second year in a row. He'll need a fresh attitude to overcome this creative block, but the only thing he's finding in his hometown is a fascination with the woman who saved him from a snowbank. In order to spend more time with Charlie, he offers to take on her never-ending to-do list in exchange for her designing his pajamas. But partnerships that last beyond Christmas Day require trust. Can Charlie and Spencer put aside the fabric and bows and December trimmings long enough to discover what they really need this Christmas? *Ghostly Getaway*

Perdita Cargill, Honor Cargill, 2025-02-11 The sixth graders at Extraordinary are disappointed to learn that their school trip to a creepy castle is less of a vacation and more of a lesson in teamwork. And is the castle HAUNTED? Bea is SO excited to be on a field trip to Cadabra Castle; it's the SPOOKIEST castle she's EVER seen. She can't wait to explore somewhere new with her classmates. But the principal, Ms. Sparks, has other plans; apparently, the trip isn't a vacation but rather a chance for the students to improve their teamwork. And even scarier for Bea than having to team up with bossy Blair are the rumors that the castle is haunted. But ghosts aren't real, are they? With black and white illustrations throughout. Told through Bea's diary entries. The Diary of an Accidental Witch series invites readers to follow Bea on a humorous journey of self-discovery as she learns where she truly belongs.

Party Like It's 2044 Joni B. Cole, 2023-09-15 Author Joni B. Cole worries that Vlad the Impaler may be a distant cousin. She feuds with a dead medium. She thinks or overthinks about insulting birthday cards, power trips, and the real reason writers hate Amazon. And she wishes, really wishes, all those well-meaning people would stop talking about Guatemala. At once irreverent and thought-provoking, Cole's collection is a joy ride through eclectic essays that arrive smack on that sweet spot between soul-searching and social commentary between humor and heft.
