A Florentine Death

Henry E. Napier

A Florentine Death:

A Florentine Death Michele Giuttari, 2009-08-06 Chief Superintendent Michele Ferrara knows that the beautiful surface of his adopted city Florence hides dark undercurrents. When called in to investigate a series of brutal and apparently random murders, his intuition is confirmed. Distrusted by his superiors and pilloried by the media, Ferrara finds time running out as the questions pile up. Is there a connection between the murders and the threatening letters he has received? Are his old enemies the Calabrian Mafia involved? And what part is played by a beautiful young woman facing a heart-rending decision, a priest troubled by a secret from his past, and an American journalist fascinated by the darker side of life? Ferrara confronts the murky underbelly of Florence in an investigation that will put not only his career but also his life on the line. Originally published in Italy as *Scarabeo*

Memoirs of Benvenuto Cellini, a Florentine Artist Benvenuto Cellini, 1847 **Death in Autumn** Magdalen Nabb, 1985 The body of a woman clad only in a fur coat and jewelry is found floating in the Arno at dawn. Marshal Guarnaccia of the Florentine carabinieri identifies her as a missing hotel guest. But how and why did she die? Was it a bizarre suicide? Or murder?

Plague and the Poor in Renaissance Florence Ann G. Carmichael, 2014-05-08 Originally published in 1986, this book uses Florentine death registers to show the changing character of plague from the first outbreak of the Black Death in 1348 to the mid-fifteenth century. Through an innovative study of this evidence, Professor Carmichael develops two related strands of analysis. First, she discusses the extent to which true plague epidemics may have occurred by considering what other infectious diseases contributed significantly to outbreaks of pestilence. She finds that there were many differences between the fourteenth and fifteenth-century epidemics. She then shows how the differences in the plague reshaped the attitudes of Italian city dwellers toward plague in the fifteenth century. This book will be of value to anyone with an interest in the history of the plague, Renaissance Italy, and the history of medicine.

Bloody Italy Patricia Prandini Buckler, 2014-03-13 These new essays comprise a critical analysis of present-day crime fiction and nonfiction works set in Italy, all of which are available in English. The writers discussed range from Donna Leon and Michael Dibdin to Leonardo Sciascia and Andrea Camilleri. Essays also deal with nonfiction by Roberto Saviano and Douglas Preston. An emerging theme is the corruption of Italian police and judiciary officials and the frustration of officers and politicians trying to work ethically within a flawed system. Many of the works discussed show the struggle of the honest characters to find at least a limited justice for the victims.

Florentine History Henry Edward Napier, 1846 **Florentine History from the Earliest Authentic Records to the Accession of Ferdinand the Third Grand Duke of Tuscany** Henry E. Napier, 1847

A History of the Commonwealth of Florence Thomas Adolphus Trollope, 1865 **Florentine History, from the Earliest Authentic Records to the Accession of Ferdinand III. Grand Duc of Tuscany** Henry Edward Napier, 1846

Florentine History, from the Earliest Authentic Records to the Accession of Ferdinand the Third, Grand Duke of Tuscany Henry Edward Napier, 1846
