A Guide To The Lcia Arbitration Rules:

A Guide to the LCIA Arbitration Rules Peter Turner, Reza Mohtashami, 2009-03-19 The London Court of Arbitration LCIA is one of the world's foremost arbitration institutions with a growing annual caseload. The LCIA Arbitration Rules are among the most modern and forward-looking of the various sets of institutional arbitration rules but until now have not been the subject of in-depth study. This is the first full-length and comprehensive commentary on the rules written by two well-known and experienced arbitration practitioners. Portable and functional, this book acts as a guide and provides an indispensable resource for all involved in international arbitration under the LCIA rules. Grouped thematically, the commentary to each rule provides: 1. a description of the rule and its intended meaning; 2. the provenance and history of the rule; 3. the practical effect of the rule with reference to previous case law and jurisprudence; and 4. a comparative look at conceptual and practical differences between each rule. Focusing specifically on how the rules of the LCIA differ from those of the ICC and the UNCITRAL, this title emphasises the international nature of the LCIA and provides the only dedicated reference to the Rules.

Arbitrating under the 2020 LCIA Rules Maxi Scherer, Lisa Richman, Rémy Gerbay, 2021-07-12 The London Court of International Arbitration (LCIA), the oldest of all major arbitral institutions, has since its establishment well over a century ago embodied the ideals that underlie the arbitral alternative and set its face against undue delay, soaring cost, complexity, and acrimony. Today, the LCIA administers cases arising under any system of law in any venue worldwide. Underscoring the institution's international nature, and over 80% of parties in pending LCIA cases today are not of English nationality. This highly practical and user-friendly guide provides not only a thorough analysis of the 2020 LCIA Rules but also a comprehensive explanation of the basic principles governing LCIA arbitration, along with an in-depth analysis of complex issues that may arise in the course of LCIA proceedings. Among the new and revised rules affecting LCIA practice and procedure described in detail include the following: use of technology accommodating virtual conferencing, remote hearings, and electronically signed awards; as well as confirming the primacy of electronic communication with the LCIA tools to expedite proceedings, including the possibility of early dismissal determinations; explicit consideration of data protection issues relating to bribery, corruption, terrorist financing, fraud, tax evasion, money laundering, and/or economic or trade sanctions; streamlined accommodations for consolidation, composite Requests, and concurrent conduct of arbitrations; conduct of authorised representatives of a party; requirements for appointment and removal of tribunal secretaries; and revised schedules of arbitration and mediation costs. The twenty-six chapters of the book provide references to essential national court judgments, statutory provisions, up-to-date statistics, and bibliographical sources on LCIA arbitrations. The 2020 LCIA Rules reflect the most sophisticated current modifications of arbitral procedure, fully aligned with the needs of current global commercial activities. For this reason, and because many companies worldwide include LCIA arbitration clauses in their agreements, this book is invaluable to business executives and corporate counsel as well as to scholars of alternative dispute
