Paul Fraser

A Heart Of Perseverance:

The Doctrine of the Saint's Perseverance, Explained ... and Vindicated in ... Answer to the Discourse of J. Goodwin Against It, in His Book Entituled Redemption Redeemed. With ... a Discourse Touching the Epistles of Ignatius, the Episcopacy in Them Asserted; and Some Animadversions on Dr. H. H[ammond] His Dissertations on that Subject John OWEN (D.D.),1654 Sancti Sanciti; or, the common Doctrine of the Perseverance of the Saints ... vindicated from the attempts lately made against it, by Mr J. Goodwin, in the Digression of his Book ... Redemption Redeemed ... As also an Appendix in Answer to Master Horne, goring all University-learning George KENDALL (D.D.),1654 **The perseverance of the saints** W. Paige,1834 **The Doctrine of the Saints' Perseverance Explained and Confirmed ,** *A Scriptural Vindication of the doctrine of the final perseverance of all true believers ... To which is subjoined an appendix, containing a brief statement of some of the leading sentiments of the Wesleyan Methodists, etc* Samuel TAGGART (Pastor of the Presbyterian Church in Colrain.),1801 *Perseverance and Apostasy in the New Testament* Dongsu Kim,2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God s sovereignty and human responsibility the role of the Holy Spirit for the believer s perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy ENDORSEMENTS The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim s near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer

can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with the book of Revelation One s theological presuppositions will of course affect how he she receives and responds to Kim s case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim s exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers engagements with apostasy are consonant with the Scriptures declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God s gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture s teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim

is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim s book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary **THE BEST OF THE KAMBULOW** walter kambulow,2003-06-01 As for God His way is perfect The word of the LORD is proven He is a shield to all who trust in Him For who is God except the LORD And who is a rock except our God It is God who arms me with strength And makes my way perfect He makes my feet like the feet of deer And sets me on my high places He teaches my hands to make war So that my arms can bend a bow of bronze You have also given me the shield of Your salvation Your right hand has held me up Your gentleness has made me great Psalm 18 30 35 The book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote **The Importance of Perseverance in Christian Efforts. The Circular Letter, from the Ministers and Messengers of the Several Baptist Churches in the Northamptonshire Association** Northamptonshire Baptist Association,1825 **Qi Gong** Paul Fraser,2019-12-31 Qi Gong is seen by many as something mystical or other worldly yet in ancient China it was considered an internally based technology accessible to all offering powerful yet simple techniques to strengthen health and vitality heal illness enhance martial power a path to connect with the realms of Nature and Spirit All living beings are part of a vast profound Whole beautifully knit together with inexhaustible vibrant energy called Qi The cultivation and exploration of Qi deepens and enriches our human experience through awakening and amplifying our own innate capabilities We are designed to help others heal communicate with Nature receive Divine guidance and participate in life enhancing evolution Accessing these deeper levels of our own humanity may be seen as a two fold path one consists of forms or routines designed to connect us to the flow of Qi to absorb and direct it and the other as a quest for virtue through love and kindness When these outer and inner paths merge a profound transformation occurs Qi Gong Rediscovering Our Humanity offers a remedy for many of today s concerns involving physical health emotional balance and the nurturing of the planet we inhabit discussing the nature of Qi the history of Qi Gong and its influence on medicine martial arts and ancient and modern culture It includes safe easy to follow instructions with illustrations for three styles of Qi cultivation suggesting that this concept is much closer to us than we may have thought
