The Brigandshaw Chronicles Box Set (Books 1 to 3) Peter Rimmer,2018-06-28 **Now That the Dust Has Settled** Athanasio Dzadagu,2015-03-26 In this book I try to explore why one section of the Catholic Community connected with the late Archbishop Chakaipa was overtaken by great remorse when he died while another went into jubilation This leads me into the examination of what kind of person Archbishop Chakaipa was I do this in the context of his family background and his priestly and Episcopal ministries He was of the Unendoro clan with a history tracing back to Karanga roots In his Seminary years he wrote five Shona novels which became very influential in developing Shona literacy He earned enduring respect across the entire Zimbabwean nation for this achievement Within Church circles Archbishop Chakaipas name is synonymous with the policy of self reliance which was his signal achievement in the Archdiocese of Harare He was determined to see the development of indigenous Zimbabwean writers frustrated that the world of ideas in Zimbabwe was dominated by Eurogenic of European origin missionaries In his view such Eurogenic intellectual domination undermined Zimbabwean and African independence In the book I argue that while Archbishop Chakaipa was a hero indeed one deserving of canonisation as a Catholic saint true respect for him should also acknowledge his negative qualities *Reading Contemporary African Literature* Reuben Makayiko Chirambo,J. K. S. Makokha,2013 Reading Contemporary African Literature brings together scholarship on critical debates about and examples of reading African literature in all genres poetry fiction and drama including popular culture The anthology offers studies of African literature from interdisciplinary perspectives that employ sociological historical and ethnographic besides literary analysis of the literatures It has assembled critical and researched essays on a range of topics theoretical and empirical by renowned critics and theorists of African literature that evaluate and provide examples of reading African literature that should be of interest to academics researchers and students of African literature culture and history amongst other subjects Some of the essays examine authors that have received little or no attention to date in books on recent African literature These essays provide new insights and scholarship that should broaden and deepen our understanding and appreciation of African literature **Religion, Women's Health Rights, and Sustainable Development in Zimbabwe: Volume 2** Sophia Chirongoma,Molly Manyonganise,Ezra Chitando,2022-08-26 This volume brings to the fore the interface of religion women s sexual reproductive health and rights SRHR and the sustainable development goals SDGs in Zimbabwe It emphasizes that empowering African women is a pivotal pillar for attaining sustainable development Contributors discuss the need for implementing structural changes as a prerequisite for social progress and development to occur in Southern Africa They interrogate the extent to which religious beliefs and practices either promote or impede women s SRHR The contributors also proffer several ways in which addressing the themes of health for all and equality for all women and girls can make a meaningful contribution towards the fulfillment of the goals set for Agenda 2030 Moto ,2001 **Zimbolicious Anthology: Volume 3** Mwanaka, Tendai Rinos,2018-09-23

Zimbofiction Anthology An Anthology of Zimbabwean Literature and Arts Volume 3 contains 5 short stories 51 poems 1 nonfiction piece and 3 drawings from Zimbabwean writers and artists Zimbabwe continues to tumble on its unshakable political trajectory since Robert Mugabe was removed as president via a military coup Much of the writing in this anthology addresses both the current political situation and the hope of the Zimbabweans for a free and fair election in 2018 Within the pieces a lot of questions anger mistrust remain alongside uncertainties around the enigmatic political landscape of Zimbabwe and the Zimbabwean people Despite this the writers have a lot to celebrate and also touch on issues to do with love morality spirituality tradition relationships family identity individuality and joy Teacher in Zimbabwe ,2014 A Social History of the Shona Novel Emmanuel Chiwome,1996 **Harold-Barry: A Mission Divided** ,2023-04-05 ELEVEN JESUITS SET OUT FOR THE INTERIOR OF SOUTHERN AFRICA BY OX WAGON IN APRIL 1879 ON A MISSION TO PREACH THE CHRISTIAN GOSPEL TO THE PEOPLE BEYOND THE LIMPOPO RIVER WITHIN A YEAR AND A HALF THREE OF THEM WERE DEAD They shared the same ignorance of Africa as their European contemporaries concerning disease geography culture religion and the political rivalries of the people among whom they came They also shared a narrow frame of reference towards the continent and the failure of imagination that went with it Further as people of their time they saw and were seen by other denominations as rivals and far from co operating the churches indulged in an unseemly competition And yet these men were in their own way heroic and faced the difficulties eagerly even joyfully Their failures and disappointments far outweighed the little progress they appear to have made but they laid the foundations for what was to follow after 1890 when the colony of Southern Rhodesia was established This event inaugurated a ninety year period when relations between church and state waxed and waned The missionaries welcomed the order even if it could not be called peace and the infrastructure the colonisers introduced The speed of travel for instance went from about 15 km a day by ox wagon to 30 km an hour by train But the Church and the Jesuits were for long the drivers of what we mean by Church never managed to decide on a coherent policy vis a vis the white government until it was too late They were divided the majority of Jesuits worked with blacks but there was a sizeable number who worked exclusively with whites So while we can document the enormous and fruitful work that was done over the decades after 1890 we have to acknowledge the failure to give a united witness in confronting the nakedly racist policies of the state If we had been able to do this in the 1920s and 30s we might have contributed to the evolution of a more harmonious society and avoided the terrible bloodshed of subsequent years **Zimbabwe National Bibliography** ,1987
