A Matter Of Sin

Kenneth Sylvan Guthrie

A Matter Of Sin:

A Homiletic Encyclopaedia of Illustrations in Theology and Morals Robert Aitkin Bertram, 1889 *The Rose of Sharon* Olubusayo Aina, 2024-11-22 There are many biblical teachings I heard whilst growing up which I must say I believed until I discovered from the scriptures that they couldn't be farther from the truth. Strangely some of these teachings have been embraced and even postulated by prominent Christian leaders, men and women who you'd have no reason to doubt their knowledge of the scriptures. The sad truth however is that it only takes one person to start a hoax and then many others ignorantly subscribe to such heinous heresies. Perhaps more worrying is the suspicion that some of these wrong scriptural interpretations were orchestrated from the kingdom of darkness. And it wouldn't be a surprise as Apostle Paul already warned us through his first letter to his protégé Timothy that such will be prevalent in the last days, a period we're currently in. As it is written: Now the Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils; speaking lies in hypocrisy, having their conscience seared with a hot iron. 1 Timothy 4:1-2. The Rose of Sharon is a book that seeks to correct certain erroneous statements and wrong subtle doctrines that have been perpetuated by some. And whilst at face value we might consider human error as mostly the cause of these howlers, it is however not unlikely that something or someone sinister was actually behind these misrepresentations. Quiver, 1896 V 12 contains *The Archer* Christmas 1877 *Not My Own* Terry Schlossberg, Elizabeth Achtemeier, 1995 This timely tough-minded work examines the implications of the church's distinctive characteristics in relation to the most heated moral crisis of our age. Writing from an ecumenical perspective, the authors explore the traditional marks of the church: the Word and the sacraments, and ask what difference the church can and should make in the lives of human beings affected by abortion. No other book has approached the issue of abortion from this perspective; no other book offers such sound practical help.

Relationships That Rock Your World Kathleen Rigdon Highley, 2013-03 If you have ever been crushed or rejected by those who should love you unconditionally simply because you are going through divorce, this is the book for you. *Relationships that Rock Your World: Divorce Recovery for Women* sends an encouraging message to women going through crisis. Author Kathleen Rigdon Highley states: It is the story of my journey from a scary sinful past to victory through Jesus Christ. The testimonies of other women who have been where I have been are mingled throughout the book. Scripture and God's healing Holy Spirit are used heavily as guidance and direction. *Relationships That Rock Your World* is a feel-good book about what is possible to overcome. This book will truly Rock Your World. Kathleen Rigdon Highley is happy to be back living in her hometown of Big Spring, Texas. This book was difficult to write because I had to be willing to put myself out there for others. She has written several other books.
