A Month Of Sundays Stories Of Love And Loss:

A Month of Sundays Megan Gordon, 2015-01-06 A woman contemplates suicide as her best friend lies dying A touching graveside ritual keeps love alive The cracks in a long time marriage are revealed when the scotch runs out A young couple experience the ecstasy and agony of first love A Month of Sundays shines a light on our most vulnerable moments and finds the grace and dignity within There is beauty in survival in knowing we can overcome We suffer unbearable losses love the wrong people and make a mess of our lives but we go on Some of the most important moments happen when we are raw and exposed This collection of a dozen stories explores those dark corners that define us the emotional spaces we prefer to avoid

Updike's Version James A. Schiff, 1992 Although many readers are aware of John Updike's Rabbit tetralogy fewer have paid close attention to his other multivolume work The Scarlet Letter trilogy In Updike's Version James Schiff provides the first full length critical analysis of Updike's trilogy since the publication of its final volume in 1988 He demonstrates how Hawthorne's classic novel of adulterous love and divided selves has become an American myth and how Updike in his trilogy has sought to expand update and satirize that myth The three volumes that make up the trilogy A Month of Sundays 1975 Roger's Version 1986 and S 1988 engage in a dialogue with Hawthorne's novel commenting upon and altering the original story To understand the nature of this dialogue Schiff employs a methodology specifically suited to Updike's mythical method in which special attention is given to reader expectation parody point of view and principles of fragmentation and condensation Updike's Version covers new ground in Updike's studies revealing how the intertextual dialogue between Updike and Hawthorne is far more complex and extensive than has yet been acknowledged Providing close and detailed readings of the novels Updike's Version will be of major importance to students and scholars of John Updike Nathaniel Hawthorne's canonical American text and American literature in general [Selected Letters of John Updike](#) John

Updike, 2025-10-21 The arc of literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations

notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children's path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other "The ill-fated Mossop." Love and death upon the stage. The Ireland forgeries. Mrs. Robinson. George Frederick Cooke. Elliston. Gerald Griffin. The young Roscius Percy Fitzgerald, 1874
