shaping consciousness into the experience we want it to be becoming who we truly are These words were formed during the incredible aftermath of a once terminally ill body healing and the spirit within forging on down a path to divine glory and enlightenment *Heaven Is Closer Than You Think* Fred Blom, 2022-08-22 This is a testimony of real life not games or movies The majority of the people in the world don't believe in the one and only God Then there are fewer who believe in Jesus Christ Of that group how many drift in and out of this commitment How many worship with their lips but not their hearts My parents and relatives fell into the group of there is no God just nature and the natural renewal of its cycle For me curiosity was the thing I had to know the beginning and end of everything step by step It's the way I am built I want every breath and every step I take to take me closer to Jesus Christ Walk with me and we will see how close heaven really is to us Run away with me and I bet we will run right into the hand of God I have done it a couple of times I want you to come with me Please it's important Why write this testimony of life Did I say Please come along with me Well we all have the happy and sad the hard and easy and the close to God whether we are aware of it or not and the far from God which we do not understand Just a few weeks ago I asked my Father in heaven if I should continue to write the first testimonials each month or perhaps even reveal the deep things that have helped me through life In the process and time of seven days I was shown how the hidden secrets of heaven work To me it's funny serious and truthful this simple thing connecting so many things together that have occurred in my life I work on my testimonial stories at night It was the hand of God that led me to do that no doubt and you will learn that a little later There are always more people to give them to than I can accomplish Maybe I should put them in a book for everyone Father I don't have the time or know how I felt something like a tap on the back of my head when I prayed that I slapped my hand over my mouth trying to take it back at the same time I looked behind myself to see if something had fallen off the wall I stopped praying took a big sigh and went to sleep Why did I say too busy I wrestled all night with The secrets of heaven are my Lord Jesus Christ's but that which he gives us are ours For there is nothing covered that shall not be revealed neither hid that shall not be known Luke 12:2 I was referred to recently as the little lion that would not roar and the lost generation Then a voice stood up for me and said No this is the one who walks the dusty road I wanted to respond but I fell to the ground in weakness because of the awesomeness around me I was shown the loss of mankind and told to go forth with the testimony I was given I cry and pray with great supplication before the heavenly throne of our savior Jesus Christ I don't want anyone to be lost Love in Christ Fred **Heaven** Clive Alando Taylor, 2023-01-26 They say what happens in heaven also happens on earth and vice versa and so on earth as it is in heaven and so forth for as much as we often like to paraphrase in saying that such above is also such below and so below is also such above as do we often recognise along with real worldly events that as we try to distinguish whether it is life that imitates art or indeed whether it is art that imitates life that as much as we have learnt to mimicry or to interpret our portrayal of the world as we know it and experience it then surely we must acknowledge that life is not forever and yet still we believe that it shall become so As it is

only by God's grace that we have forever held this humble belief in our minds even though it may have dampened the amusement of our senses and yet still it has also allowed us to transcend towards the seeking such knowledge if only to acquire the wisdom in becoming all knowing For as much we may search and seek out for a heaven upon the earth still we often look towards the sky along with the faith and the hope that we may come to discover such a place of awesome reverence and wonder which has always been attributed with many a name and many a title some of which I have hastened to mention here i.e. Paradise Nirvana Valhalla Elysium and Tiandao amongst with many more and yet still we believe this heaven to be the spiritual abode and resting place of our heavenly souls As H O M E Heaven Offers Many Examples and yet still I can only contend to think and to believe that such a heavenly realm which has always found itself to be such a prominent and worthy place within our hearts must also endeavour to be one that we are inspired to compose and to write about and must also be one that we are ready to carve and to paint about and must also be one that we ready to build and to strive about if only to nurture as we plant and as we grow upon reflection whilst striving towards this heaven ideal
