A Place To Bloom:

A Place to Bloom Lorianne Siomades,1997 This picture book in rhyme asks children to look closely at the world around them *In This Place* Marianne Race,Laurie Brink,2008-05-01 The landscape photographed and the reflections on the sites of the Sunday Gospels paint a geography little changed since the time of Jesus and his followers To see the Judean Wilderness or the River Jordan or the hills of Jerusalem is to see the topography the land features that existed two thousand years ago And in seeing them we are reminded that this is what Jesus saw The dust and heat are the reality of his day and time as much as they are ours To encounter that land if only through word and image is to touch the world of Jesus
