## **A Queer Thing Happened To America And What A Long:**

*A Queer Thing Happened to America* Michael L. Brown, 2011 *A Queer Thing Happened to America* chronicles the amazing transformation of America over the last 40 years and addresses the question Is there really a gay agenda or is it a fiction of the religious right Written in a lively and compelling style but backed with massive research and extensive interaction with the GLBT community this forthright yet compassionate book looks at the extraordinary impact gay activism has had on American society

**What was the Sin of Sodom: Homosexuality, Inhospitality, or Something Else?** Brian Neil Peterson, 2016-10-19 Virtually every scholar on both sides of the same sex discussion eventually addresses the account of Sodom found in Genesis 19 However in recent years scholars have tended to downplay the importance of this chapter in relation to this debate This book challenges this trend and seeks to demonstrate how the account of Sodom plays a key role in our understanding of a God ordained sexual ethic especially in light of Genesis as Torah instruction for both ancient Israel and for the Church

*Revolution* Michael L. Brown, 2020-10-06 A revolution of repentance by the power of the Holy Spirit is needed in the church to bring renewal to a hurting nation After reading *Revolution* you will understand what a biblical revolution looks like and how to implement it starting within your own heart and going outward from there This book is not a call to the violent overthrow of the government nor is it a call to take up arms nor is it a call to political activism in and of itself It is a call to something far more extreme a call to live out the gospel with all its radical claims a call for the people of God to impact this generation with the prophetic message of repentance a call to spark the most sweeping counterculture movement in our nation s history a call to take back the moral high ground that has been stolen from under our feet a call to follow Jesus by life or by death *Revolution* answers such questions as What is the role of the Christian and the church during these tumultuous times How are we to respond to the racial upheaval happening in our nation What is the church s role in healing the divide in our fractured divided country Dr Brown turns up the volume in this call to God s remnant people to pray repent and act according to the teachings of Jesus who is calling us to holy revolution

*Critical Conversations* Tom Gilson, 2016 Christian parents need to be prepared to answer the myriad challenges teens might hear in today s increasingly pro homosexual culture Why shouldn t gays get married Who says gay sex is wrong Does the Bible actually say there s anything wrong with homosexuality Don t you care that kids are being bullied just for being themselves To start the discussion Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s He explains how and why cultural attitudes have reversed on this subject in such a short timespan leaving Christians scrambling for answers This is perhaps the most complicated and contentious issue Christians face in today s culture Most churches are poorly equipped to handle it parents are even less prepared The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic Learning together parents struggling through these issues alongside their kids and leading them to biblical answers has relational benefits Answers are important though so

manageable nontechnical answers to common questions surrounding this issue are provided as well as a guide to further resources

*The Real Kosher Jesus* Michael L. Brown, 2012 Jesus Yeshua The most influential Jew who ever lived The most controversial Jew who ever lived He has been called a rabbi a rebel a reformer a religious teacher a reprobate sinner a revolutionary a redeemer Some have claimed he was a magician others the Messiah Some say he was a deceiver others say he was divine Who is this Jesus Yeshua and why are we still talking about him two thousand years later Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus a Kosher Jesus that Jews can accept By reclaiming Yeshua as a fellow Jew and rabbi he has taken a very major and truly wonderful step in the right direction but by re creating Jesus he has also robbed him of his uniqueness The Real Kosher Jesus takes you on a journey to uncover the truth It is a journey filled with amazing discoveries and delightful surprises a journey that is sometimes painful but that ends with joy a journey through which you will learn the real story of this man named Yeshua the most famous Jew of all time the Jewish nation s greatest prophet the most illustrious rabbi ever the light of the nations and Israel s hidden Messiah

**The Silencing of the Lambs**

Michael L. Brown, 2022-03-01 How long will the church s voice be drowned out by the roar of the enemy After reading this book you will understand the critical issues threatening the spread of the gospel in America and how you can play a part and no longer be a silent lamb drowned out by the voices of secularism liberalism and pagan thinking in America If you are a conservative living in America today there is a target on your back If you are a Christian conservative that target is even bigger If you are a Christian conservative who refuses to bow down to the spirit of the age the spirit of political correctness that target is so big that you are a marked man or woman A person like that like you must be silenced So says today s cultural elite who are making it increasingly difficult for Christians to stand up and live out their faith In *The Silencing of the Lambs* Dr Michael L Brown lays out what is happening in the world around us from the assault on children in schools and on college campuses to the unprecedented censorship of Christians and conservatives through Big Tech He then maps out strategies for how we can turn the pitfalls into platforms and find courage in the midst of opposition The Word of God cannot be bound The church cannot be cancelled This book sounds the alarm alerting Christians to the increasing censorship opposition and even persecution believers are facing today and calls them to remove the muzzle take their place as the church in this nation and turn the tide

Marriage Matters Janice Crouse, 2017-07-05 In *Marriage Matters* Janice Shaw Crouse argues that marriage is a critical element in a free society and that society s most vulnerable communities especially minorities and the poor suffer the most from the nation s retreat from marriage Crouse writes that marriage advances the public interest and we should create laws and policies that support rather than undermine it She demonstrates both the public and private importance of marriage and organizes her argument in a thoughtful and logical manner Compared to other household arrangements Crouse observes marriage is by far the best for raising children and offers financial advantages as well Writing about bullying Crouse shows how the trend away from marriage has lead to poor child rearing

and to some of the nation's worst contemporary problems. In household arrangements with an absence of traditional fathers, the government has in some ways overtaken this role by creating social programs such as food stamps, Social Security, and Medicare. Social programs are but a small part of an effective solution. The groundwork for strong marriages and lasting relationships is examined in detail. Crouse then discusses the role of sex in marriages and the harmful influence of casual sex. The second half of the work shows how marriage matters to individuals, specifically to women and children, and depicts same-sex marriage as a threat to the institution. Other public policy issues affecting marriage are also explored.

**Turn the Tide** Michael L. Brown, 2024 With the power of the Holy Spirit, we can change the world instead of the world changing us. This book will provide the information you need so you can be effectively used by the Holy Spirit to bring reformation to our society in the wake of spiritual revival. You will see how God can use you in both big and small ways to fulfill His great commission. How can a spiritual outpouring in the church become a cultural awakening in the society? How can we move from revival to reformation? In *Turn the Tide*, Michael L. Brown, PhD, lays out the key steps believers must take in this new season of revival, from the prayer room to the home, from the schools and universities to the worlds of finance and politics, to see lasting cultural change. Drawing from historical revivals and scriptural insights, Brown challenges readers to move beyond the boundaries of the church walls and engage in a transformative journey that permeates every aspect of society. He addresses topics such as how to deepen our prayer base, infiltrate the educational system, be grounded in apologetics, raise up godly leaders in politics, engage the culture wars in the power of the Spirit, walk in God's love and truth without becoming the morality police. *Turn the Tide* is an urgent call to believers to rise above complacency and embrace their role as catalysts for societal transformation. It is an essential guidebook for those who long to see their homes, cities, and nations transformed by the power of God.

**Reclaiming Reason** Adam Murrell, 2012-01-26 In this compact, fluently written survey of logical fallacies, Adam Murrell provides myriad examples of ways we go about being illogical, how we deceive ourselves and others, how we think and argue in ways that are uncritical, disorganized, or irrelevant. From billboards to bumper stickers to radio to television, fallacious arguments are seemingly everywhere we look. *Reclaiming Reason* was designed to teach people how to counter this trend, how to reason with clarity, relevance, and purpose at a time when passions and emotion frequently override sound judgment. This concise handbook is essential for Christians as they study logic, the art of reasoning well, or learning to think God's thoughts after him. A book of remarkable sensibility, *Reclaiming Reason* is unassumingly relaxed, informal, and easily digestible.

**Pure Love** Timon Bengtson, Sarah Rose, 2015-09-02 When's the last time your church spoke openly about sexuality? Messages about sex are everywhere. Books, magazines, films, television, and billboards bombard us daily with the culture's standards and beliefs about sexuality. And while the world tells us how we should live in regards to our relationships and sexual identity, the church has too often been silent. But sexuality is not an issue that can be ignored. *Pure Love* deals openly, honestly, and biblically with these core issues of sexuality facing young people today: dating, singleness, modesty,

emotional purity pornography masturbation homosexuality Confident in the power of the gospel Timon and Sarah draw on their own experiences and the truth of the Scriptures to show you how you can be freed from the slavery of sexual temptation and walk in a manner worthy of your calling as a Christian
