A Field Guide To Evangelicals And Their Habitat:

A Field Guide to Evangelicals & Their Habitat Joel Kilpatrick, 2010-10-19 They're Going to Heaven and They Know It At last a complete unsparing guide to evangelical Christians This hilarious and highly useful manual written by an insider illuminates this rapidly growing and unique segment of America and offers a thoroughly entertaining no holds barred laugh out loud survey of evangelical culture See inside for the scoop on What Evangelicals Believe Plus a Master List of Who Is Going to Hell How to Party Like an Evangelical Ambrosia Li'l Smokies and Potluck Fever The Diversity of Evangelical Politics From Right Wing to Wacko Evangelical Mating Habits The Shocking Truth Understanding Evangelical Media Quentin J Sch Robert Herbert Woods Jr, Robert Herbert Woods, Schultze Quentin J., 2010-05-07 As long as there has been a church there has been Christian communication people of the book bearing the good news from one place to another persuading teaching and even delighting an ever broadening audience with the message of the gospel Amid ongoing advances in technology and an ever more multicultural context however the time Everything You Know about Evangelicals Is Wrong (Well, Almost Everything) Steve Wilkens, Don Thorsen, 2010-08-01 While evangelicals make up a significant portion of American society they still constitute a mystery for many They exert considerable influence on virtually every aspect of American life and culture yet by those who don't appreciate them they're seen as rednecks crypto fundamentalists and people without education Wilkens and Thorsen contend that evangelicals are tired of being caricatured and provide an insider's look at myths and realities surrounding the movement They winsomely and sometimes humorously assess the breadth and depth of evangelical beliefs values and practices arguing that evangelicalism is identifiable by a family resemblance vitality and relevance that transcends particular theological and political stereotypes that arise inside as well as outside of it The book provides a synthetic presentation of contemporary evangelical Christianity as well as critiques of it

You're Not As Crazy As I Think Randal Rauser, 2012-01-06 Randal Rauser helps us learn how to truly dialog with those who have very differing opinions from us those we so often marginalize **How to Go from Being a Good Evangelical to a Committed Catholic in Ninety-Five Difficult Steps** Christian Smith, 2011-06-09 American evangelicalism has recently experienced a new openness to Roman Catholicism and many evangelicals both famous and ordinary have joined the Catholic Church or are considering the possibility This book helps evangelicals who are exploring Catholicism to sort out the kind of concerns that typically come up in discerning whether to enter into the full communion of the Catholic Church In simple language it explains many theological misunderstandings that evangelicals often have about Catholicism and suggests the kind of practical steps many take to enter the Catholic Church The book frames evangelicals becoming Roman Catholic as a kind of paradigm shift involving the buildup of anomalies about evangelicalism a crisis of the evangelical paradigm a paradigm revolution and the consolidation of the new Catholic paradigm It will be useful for both evangelicals interested in pursuing and understanding Catholicism and Catholic pastoral workers seeking to help evangelical seekers who come to

them **The Art of Being You** Bob Kilpatrick, Joel Kilpatrick, 2010 People are the artistic masterpieces of God beautifully drawn brilliantly scored poetically rendered The Art of Being You by Bob and Joel Kilpatrick will help you view God as artistic master rather than master mechanic and see yourself as his finest work rather than as broken and in need of fixing Your life will be transformed and your relationship with God will change forever A Field Guide to the Culture Wars Michael McGough, 2008-12-23 Like any realignment in politics the Democratic takeover of Congress in the 2006 midterm elections inspired a raft of instant analyses One take on the results that is surely wrong is that the change in control of Congress and the spike in Democratic hopes for the 2008 presidential race mark an end to the culture wars that conventional wisdom blamed or credited for George W Bush's re election in 2004 This book sets the stage for a new consideration of the contemporary culture wars by examining their antecedents from the Scopes trial to Prohibition to the controversy over the Supreme Court's desegregation and school prayer rulings to loyalty oath battles of the 1950s to the pre Roe v Wade campaign to liberalize abortion laws Even during times of supposed conformism Americans have been presented with competing claims about what sort of culture this is and how and to what extent government should reflect and police values The author covers such topics as same sex marriage stem cell research intelligent design and other hot button issues that are debated not just between the religious and secular but more and more among the ranks of the religious themselves where a religious left has emerged to counter arguments from the religious right Anyone interested in the intersection of religion and politics in the rise of the so called moral majority and in the current state of affairs with regard to values and public life in America will gain a better understanding from reading this book Evangelical Christians and Popular Culture Robert H. Woods Jr., 2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter *The Publishers Weekly*, 2006 **Just Do Something** Kevin L. DeYoung, 2009-04-01 Hyper spiritual approaches to finding God's will don't work It's time to try something new Give up Pastor and author Kevin DeYoung counsels Christians to settle down make

choices and do the hard work of seeing those choices through Too often he writes God s people tinker around with churches jobs and relationships worrying that they haven t found God s perfect will for their lives Or even worse they do absolutely nothing stuck in a frustrated state of paralyzed indecision waiting waiting waiting for clear direct unmistakable direction But God doesn t need to tell us what to do at each fork in the road He s already revealed his plan for our lives to love him with our whole hearts to obey His Word and after that to do what we like No need for hocus pocus No reason to be directionally challenged Just do something
