Dark Days and The Nights I Cried Ty Pittman, Dark Days and the Nights I Cried consist of poetic expressions composed of raw emotions formed throughout the painful years of living with a self centered egotistical lying ass wretched man who lacked respect and consideration for himself family and home He made life living with him horrifying He having once gone from a life of stealing for crack in and out of jail to a recovering addict of 6 years before meeting his wife and having two more children and owning their home Driving around in a luxury car wearing name brand clothes which all gave the appearance that he was living a life worth looking up to only to be misleading people into believing that he was a family man that loved his wife and yet treated her like shit in the place where no one could see in a home that was hell Although he never hit her he walked all over her feelings and fucked with head which everyday left her confused This was her reality For years she allowed herself to be verbally and mentally abused Years of many dark days and sleepless nights all facts not fiction

How to Saw a Man in Half Andy Mascola, 2025-06-29 It was eight in the morning on a Friday I d just arrived for work I d been employed by this particular company for about a month I was asked to follow the woman past a glass office wherein I saw my supervisor sitting behind a laptop with an employee across from him This was highly abnormal for that early hour Something was up I began to sweat I was brought into a room where it was just the female superior and myself She shut the door I stood against a wall as if in front of a firing squad my hands hanging loosely by my sides She stood at the opposite side of the room one foot on the lowest rung of a chair and proceeded to tell me how a colleague had complained about me This was it I was about to get fired for the third time in the same year I began to shake I shook so much that the woman noticed What s going on she asked I didn t want to speak for fear my voice would sound shaky I didn t want to tell this woman I d been canned twice in the last ten months under circumstances very similar to what was happening in that moment I didn t want to tell this woman that I d only recently got my confidence back and was beginning to fear I was about to lose it again I didn t want this woman to know that my wife of over twenty years didn t love me anymore and wanted a divorce I didn t want this woman to know my wife had told me she no longer wanted me to express tender sentiments toward her because she didn t reciprocate them I didn t want to tell this woman whom I d known in a professional capacity
