The Punk Turn in Comedy Krista Bonello Rutter Giappone, 2018-05-24 This book examines the interconnections between punk and alternative comedy altcom It explores how punk's tendency towards humour and parody influenced the trajectory taken by altcom in the UK and the punk strategies introduced when altcom sought self definition against dominant established trends *The Punk Turn in Comedy* considers the early promise of punk comedy convergence in Peter Cook and Dudley Moore's Derek and Clive and discusses punk and altcom's attitudes towards dominant traditions The chapters demonstrate how punk and altcom sought a direct approach for critique one that rejected innuendo while embracing the amateur in style and experimenting with audience performer interaction Giappone argues that altcom tended to be more consistently politicised than punk with a renewed emphasis on responsibility The book is a timely exploration of the punk turn in comedy history and will speak to scholars of both comedy and punk studies
