A Gift For Gomorrah:

A Gift for Gomorrah Salem Black, 2014-01-03 The cradle of civilization burns In the north mighty Assyria continues to stretch its shadow on an inexorable path of conquest To the east Babylon is slowly dying beneath the weight of a cursed and fading regime To the south Admah Gomorrah Sodom Zeboim and Zoar the Cities of the Plain thrive and contest control over the lush and verdant land near the Dead Sea The sands in between are ruled by merciless tribes nomads and mysterious beings of supernatural powers It is a world of myth and wonder A world driven by violence and force divided by many tongues yet united in the clash of blades For Thia it is a hellish existence of survival Ripped from the mountains of her native Scythia she is brought in chains to the merchant city of Dur Sharrukum Sold as a novelty for her pale skin and light hair she must endure helpless degradation and abuse at the hands of barbaric strangers Her gods are far away eclipsed beneath the powerful deities of the desert Her only hope is to last long enough for a better fate before she becomes shattered by the harsh bondage of forced slavery For Beli Asharad it is an opportunity The young Mirage Prince of Gomorrah he ventures forth per the King s Golden Mandate to journey the world and return with wild tales wealth and knowledge to feed the ever hungry desires of his people for amusement If he succeeds he will be rewarded a life of lavish excess and depravity in full celebration of worldly pleasures If he fails he will be exiled Young and brash he dares the northern reaches of the borderlands willing to drive his spear into Assyria itself for the most valuable objects of all those purchased in blood For Dune it is a way of life Long have the mercenary nomads of Aram achieved immortality by glory in battle They serve no cause but their own listless and fickle as the wind With his father now dead by his hand Dune wields the enchanted blade Ocean determined to carve his place in history In admiration of the Mirage Prince s ambitions and with those of his own he joins in the sojourn north towards destiny The paths of these three characters collide on a moonlit night One that will begin a journey of bloodshed betrayal and lust leaving them forever changed This is the first episode in an erotic fiction series bringing to life an ancient world ruled by a thousand gods A world of short lives embraced fiercely and where torrid romance reveals the Final Truth love conquers all Warning adult readers only Contains explicit sexuality and non consensual slavery **Johni's Journal: One Person's Truth About God's Gay Children** Patricia Johni Patton, 2014-03-20 This is a true story in as much as one person s truth can be I m not a self proclaimed activist or a professional writer I m just a person who struggles through life trying to make good decisions while attempting not to hurt anyone in the process Prior to starting this journal I communicated with a Christian broadcasting host who promoted pervasive Christian fundamentalist theology forbidding homosexuality I used excerpts from many of our original emails which included short comprehensive essays about the Scripture passages that appear to discuss same gender sexual behavior and alternated chapters between the past and the present Over the course of time our opinions were expressed in ever increasing frankness and patterns of stubborn refusal to yield to the others point of view giving testament to the battle that rages on in our communities regarding the issue of

homosexuality This journal is a chronological description of historical facts painful moments and surprising revelations of my life as a gay Christian including the admission that God spoke directly to me many years ago I portray the events from a uniquely personal perspective by expressing my commitment to God an awareness of my sexual identity and my ultimate decision to live as God created me I describe the pain of spiritual violence the ache for acceptance and the resulting anger towards the injustice of prejudice I do not believe that God created opposition to homosexuality Any more than I believe He caused the murder persecution and oppression of other faiths minority races or women for thousands of years I believe the true cause originates from those who possess a strong desire to manipulate their surroundings so that their surroundings agree with their own understanding of God And I believe that God will always be on the side of the oppressed not the oppressor
