A Guy's Point Of View:

The Dating Game Vaidas Cikotas, 2010-04-22 Whether you've been single a week, a month, a year, or longer, you're probably well aware how challenging it can be to find someone worth dating. You may even be wondering if there is anyone worthwhile left at all. Are all the Good Ones taken? Thankfully, no, it can just seem that way. The search for love requires us all to play the dating game, and inside this book are tales from the trenches: A guy's inside view on what really goes on in the singles scene and some things that you can do to navigate your way through. Inside are true stories and observations that you will relate to, sympathize with, laugh at, and hopefully gain some insight as to what you might do a bit differently in your search for love.

Microeconomics Frank Cowell, 2018 The only text to provide an accessible and engaging overview of microeconomics without compromising on the technical level.

Cut by Cut Michelle Lee Fontaine, 2010-07-15 Fifteen-year-old Clairra has a secret: she cuts herself. She wants to stop cutting, but the stress of everyday life keeps getting in the way. Her parents are total pains, teachers like to give pop quizzes, her super-cute boyfriend wants sex, her best guy friend keeps winking at her, her best girl friend is caught stealing, and she witnesses one of her ex-best friends buying drugs. She faces the tough decision of whether or not to tell. Just when the world seems against Clairra, a young ex-convict reaches out to her, showing you can recover from anything but death.

To Each Their Darkness Gary A. Braunbeck, 2010-12 2010 Stoker Award Winner for Superior Achievement in Nonfiction. Explore the world of writing horror from a Bram Stoker and International Horror Guild award-winning author's point of view. Gary Braunbeck uses film, fiction, and life experience to elucidate the finer points of storytelling, both in and out of genre. This part autobiographical, always analytical book looks at how stories develop and what makes them work or not work when they're told. Be warned: reality is as brutal as fiction. Rob Zombie, police shootings, William Goldman, and human misery are all teachers to the horror neophyte, and Braunbeck uses their lessons to make *To Each Their Darkness* a whirlwind of horror and hope for the aspiring writer.

Franks and Alamanni in the Merovingian Period Ian N. Wood, 1998 The Alamans were early victims of post-Roman expansion of the Frankish empire. These studies consider both races from historical, archaeological, and linguistic perspectives from the 3rd to the 6th centuries.

A Guy's Point of View Otis Moore, R. W. Newberry, 2014-11-17 The words written in this book have little to no remorse for your emotional well-being. This book is not intended to directly or indirectly affect the way you live your life. Inside these pages, you will find the truth about the way average guys actually feel about the everyday situations that women put them in. These words combined are not intended to hurt your feelings, but just the same, your feelings will not be spared for the sake of your general well-being. The author wishes to merely inform you, as a woman, some of the things that your husband is afraid to say. No apologies will be offered, and no hate mail will be answered. May the Lord be with you in all of your life's adventures.
