

A Gypsy Christmas

Amanda Mariel

A Gypsy Christmas:

A Gypsy's Christmas Kiss Dawn Brower, Amanda Mariel ,2018-12-04 Lulia Vasile is the daughter of a Romany princess and an Earl's second son. She grew up playing roles in a traveling theater performing at county fairs and has dabbled in fortune telling. She makes no apologies for who she is and lives life as she pleases. Finley Prescott, the Duke of Clare, doesn't leave his townhouse unless it's necessary. He has responsibilities and people who depend on him. All he wants is to disappear from the world. He doesn't do well in large gatherings and lacks social graces. Fin and Lulia have a history. One that neither one has forgotten. When they meet again, they are drawn together. After that chance meeting, they share a magical kiss. Along the way, they discover that sometimes the one thing a person needs isn't what they would expect. **A Gypsy Christmas** L. E. Pegg, 2014-11-21 I guess not. She stood and shook her skirts out. She frowned as she noted her tattered skirts and frowned. It's just that people say that I know what they say about my kind child. She waved the girl off and helped her into the wagon, but do you know something? Caroline leaned forward as the woman started to dig through a chest and pulled out an embroidered green skirt and a matching top. What Jesus was once an outcast too. A Hellion's Christmas Kiss Dawn Brower, Amanda Mariel ,2024-12-24 Lady Rosella Prescott has loved one man for as long as she can remember. To her dismay, he has only ever seen her as a friend or worse as a little sister. Despite her best efforts to capture his attention, nothing seems to change. It frustrates her endlessly, and at times she wonders if she's a hellion for her boldness. But in her heart, she knows she's his hellion. If only he would look at her and truly see it. Lucian Abbot, the Marquess of Kistleton, has desired Rosella ever since he realized she was no longer a girl but a desirable woman. How could he act on such feelings when she is the sister of his closest friend? The impropriety of it haunts him, and he suppresses his desire. That is until one fateful night when his resolve shatters, and he can no longer ignore what has been in front of him all along. With the magic of Christmas in the air and a shared wish for love, Rosella and Lucian are drawn together at last. But as the night ends, they must confront a difficult choice: to follow their hearts or honor their loyalties. The Christmas Magician I.G. Whit, 2011-10-11 The Great Andre was the foremost magician in the country. One day he ran into a little girl that claimed he was her father and wouldn't believe any differently. Feeling terribly alone, Andre took an interest in the child and ultimately her mother. Extracting the mother from a terrible situation and employing her as a housekeeper in the year of 1899, becoming blind, Katy takes over the running of Andre's house, and they become friends, and in the end, a happy life is forecast for all of them. How many times have you looked at a person and made a snap judgement of who and what they were? It is my opinion you should not make any preconceived judgements based on ignorance. Give that person an opportunity to show you who and what they are, and most of the time you'll find an extraordinary individual, one you'd have missed if you'd based your acquaintance on your first glance. I made that mistake once, and when I'd discovered my error, believe me, I have never done such a thing again. And that goes for persons of different races, creeds, and religions. We are all one under the skin. A Christmas Gift David

Saperstein, James J. Rush, 2009-10-01 Every Christmas is an opportunity to rediscover the true meaning of the season and the miracles that are the greatest gifts Twelve year old Katie Williams has already received an extraordinary holiday gift this year passed down from her great grandmother Katie has been blessed with second sight So far her visions have helped her avert tragedy and brought her beloved long lost Uncle Charlie back to the family but can they help keep him there Charlie has a lot to be thankful for this Christmas He's back in his hometown and ready for a fresh start A job as the local mall Santa Claus seems like a good way to begin until his misguided past comes back to haunt him dashing his hopes for the future Can Katie help keep her uncle's dreams alive Christmas Eve will tell as the love and faith of friends and family along with a dash of frankincense and myrrh ignite a powerful magic within every heart a magic that may bring one man the greatest gift of all

The Christmas Pudding Alfred Allen, 2009-02-17 A bank clerk loses his job on Christmas Eve and copes very poorly with the shock Too distraught to return home to his doting family he lingers about the snowy streets stumbling upon a very curious individual with whom he unwittingly embarks upon a fantastic escapade that sorely tests his mettle as a man a husband and a father

Regency Christmas filled with passion promise and the kind of love that only grows stronger with the season's glow Once Upon a Christmas Dawn Brower, Welcome to the town of Kismet Bay where magic and fate are a way of life Holly Strange is part of a large family Her ancestors founded Kismet Bay over 200 years ago Kismet Bay has a lot of charms and for the Stranges it means leading them to their one true love Christmas and every holiday brings out the magic of the town It's Christmas so anything is possible and when she literally runs into Nicholas Bell outside the local coffee shop her world turns upside down Holly stopped believing she'd find love but after that one fated meeting she starts to believe in the power of destiny and the possibility of finding her heart's desire A Wallflower's Stolen Christmas Dawn Brower, 2024-12-17 Lady Selena Brooks would much rather remain in the comforts of home during Christmastide Why the blazes would anyone want to endure a house party for a whole fortnight Especially one that has always been a wallflower Society didn't care if she attended and wouldn't notice her regardless At least that was how it had been before Before her cousin restored his finances and set funds aside for her dowry and that suddenly makes her more desirable Well they could all jump back into the holes they crawled out of She would never marry anyone that didn't truly appreciate her Society's dictates had stolen her joy and the peace of remaining home at Christmas Selena will stop at nothing to remain unwed and free from the grips of societal rules The best revenge is living her life as she truly desires and she will not let anyone or more specifically any man ruin her life Kingston Rowe Duke of Castlebury hated society He wouldn't even attend this house party if he didn't owe one of his friends a favor He'd only been back in England after a lengthy absence for six months and nothing in society had changed They were all insufferable fools One woman stands out amongst them all and he is riveted with her She does and says what she wants She's kind to the servants and sneers at any gentleman that tries to charm her He's intrigued and tempted in ways he never has been before But how does a duke catch the interest of a woman that doesn't want to be courted
