The Methodists and Revolutionary America, 1760-1800 Dee E. Andrews, 2010-07-01 The Methodists and Revolutionary America is the first in depth narrative of the origins of American Methodism one of the most significant popular movements in American history Placing Methodism s rise in the ideological context of the American Revolution and the complex social setting of the greater Middle Atlantic where it was first introduced Dee Andrews argues that this new religion provided an alternative to the exclusionary politics of Revolutionary America With its call to missionary preaching its enthusiastic revivals and its prolific religious societies Methodism competed with republicanism for a place at the center of American culture Based on rare archival sources and a wealth of Wesleyan literature this book examines all aspects of the early movement From Methodism s Wesleyan beginnings to the prominence of women in local societies the construction of African Methodism the diverse social profile of Methodist men and contests over the movement s future Andrews charts Methodism s metamorphosis from a British missionary organization to a fully Americanized church Weaving together narrative and analysis Andrews explains Methodism s extraordinary popular appeal in rich and compelling new detail

Black Church Beginnings Henry H. Mitchell, 2004-10-04 Black Church Beginnings provides an intimate look at the struggles of African Americans to establish spiritual communities in the harsh world of slavery in the American colonies Written by one of today s foremost experts on African American religion this book traces the growth of the black church from its start in the mid 1700s to the end of the nineteenth century As Henry Mitchell shows the first African American churches didn t just organize they labored hard long and sacrificially to form a meaningful independent faith Mitchell insightfully takes readers inside this process of development He candidly examines the challenge of finding adequately trained pastors for new local congregations confrontations resulting from internal class structure in big city churches and obstacles posed by emerging denominationalism Original in its subject matter and singular in its analysis Mitchell s Black Church Beginnings makes a major contribution to the study of American church history

Slavery and Freedom in the Mid-Hudson Valley Michael E. Groth, 2017-04-17 Explores the long neglected rural dimensions of northern slavery and emancipation in New York s Mid Hudson Valley Slavery and Freedom in the Mid Hudson Valley focuses on the largely forgotten history of slavery in New York and the African American freedom struggle in the central Hudson Valley prior to the Civil War Slaves were central actors in the drama that unfolded in the region during the Revolution and they waged a long and bitter battle for freedom during the decades that followed Slavery in the countryside was more oppressive than slavery in urban environments and the agonizingly slow pace of abolition constraints of rural poverty and persistent racial hostility in the rural communities also presented formidable challenges to free black life in the central Hudson Valley

Michael E Groth explores how Dutchess County's black residents overcame such obstacles to establish independent community institutions engage in political activism and fashion a vibrant racial consciousness in antebellum New York By drawing attention to the African American experience in the rural Mid Hudson Valley this book provides new perspectives on slavery and emancipation in New York black community formation and the nature of black identity in the Early Republic Groth provides a systematic overview focused on the history of African Americans in the Mid Hudson Valley during the decades before the American Revolution through emancipation and during the national political struggle for abolition and the regional struggle for civil rights Andor Skotnes author of *A New Deal for All Race and Class Struggle in Depression Era Baltimore*

Faith in Reading David Paul Nord, 2004-08-19 In the twenty first century mass media corporations are often seen as profit hungry money machines It was a different world in the early days of mass communication in America Faith in Reading tells the remarkable story of the noncommercial religious origins of our modern media culture In the early nineteenth century a few visionary entrepreneurs decided the time was right to reach everyone in America through the medium of print Though they were modern businessmen their publishing enterprises were not commercial businesses but nonprofit societies committed to the publication of traditional religious texts Drawing on organizational reports and archival sources David Paul Nord shows how the managers of Bible and religious tract societies made themselves into large scale manufacturers and distributors of print These organizations believed it was possible to place the same printed message into the hands of every man woman and child in America Employing modern printing technologies and business methods they were remarkably successful churning out millions of Bibles tracts religious books and periodicals They mounted massive campaigns to make books cheap and plentiful by turning them into modern mass produced consumer goods Nord demonstrates how religious publishers learned to work against the flow of ordinary commerce They believed that reading was too important to be left to the market revolution so they turned the market on its head seeking to deliver their product to everyone regardless of ability or even desire to buy Wedding modern technology and national organization to a traditional faith in reading these publishing societies imagined and then invented mass media in America

A New Day Akinade Akintunde E. (ed.), 2010 The unprecedented resurgence renewal and rebirth of twenty first

century Christianity in postcolonial societies such as Asia Africa and Latin America calls for new insights methodologies and paradigms since the West can no longer be regarded as the sole citadel and cradle of the Christian faith The Christian message has been reshaped and reappropriated in different contexts and cultures and through this cross cultural transmission and transformation it has become a world religion Contextualizing the Christian faith also entails decolonizing its theology precepts and dogma These efforts continue to engender new initiatives and efforts in the intercultural interconfessional intercontinental and interreligious dimensions of world Christianity A New Day is a collection of essays in honor of Lamin Sanneh one of the most adamant advocates and apostles of the radical change in the face of Christianity in the twenty first century The essays in this book by recognized scholars deal with issues themes and perspectives that are important for understanding Christianity as a world religious movement
