**A Documentary History
of Reconstruction**

EDITED AND WITH AN INTRODUCTION BY
JOHN DAVID SMITH

A Just And Lasting Peace The Second Civil War Book 5

Jonathan Bernis

A Just And Lasting Peace The Second Civil War Book 5:

The Modern Library Civil War Bookshelf 5-Book Bundle Ulysses S. Grant, Harriet Beecher Stowe, Stephen Crane, Jefferson Davis, Abraham Lincoln, 2012-06-11 Like no other event in our history the Civil War divided the nation redrew our notions of freedom and citizenship and provided the backdrop for some of the most enduring works in the American literary canon This Modern Library eBook bundle collects five titles that illuminate that transformative conflict Personal Memoirs of Ulysses S Grant the classic novels Uncle Tom s Cabin and The Red Badge of Courage The Essential Writings of Jefferson Davis and The Life and Writings of Abraham Lincoln PERSONAL MEMOIRS OF ULYSSES S GRANT The memoirs of the legendary Union general chart the fortunes that shaped his life and character from his frontier boyhood to his heroics in battle to the grinding poverty from which the Civil War rescued him Among autobiographies of great military figures Grant s is considered one of the finest UNCLE TOM S CABIN Abraham Lincoln called Uncle Tom s Cabin the book that made this great war Langston Hughes called it a moral battle cry Harriet Beecher Stowe s classic novel offers a shockingly realistic depiction of slavery and a portrait of human dignity in the most inhumane circumstances THE RED BADGE OF COURAGE One of the greatest works of American literature The Red Badge of Courage gazes fearlessly into the bright hell of war through the eyes of one young soldier the reluctant Henry Fleming Stephen Crane s novel imagines the Civil War s terror and loss with an unblinking vision so modern and revolutionary that critics hailed it as a work of literary genius JEFFERSON DAVIS THE ESSENTIAL WRITINGS The Confederate president is one of the most complex and controversial figures in American political history Editor William J Cooper combs through the authoritative Papers of Jefferson Davis for this selection of letters major speeches and public and private writings Collectively they present a multifaceted portrait of a man who continues to fascinate scholars and Civil War buffs alike THE LIFE AND WRITINGS OF ABRAHAM LINCOLN The greatest of all American presidents left us a vast legacy of writings some of which are among the most famous in our history From the plainspoken eloquence of the Gettysburg Address to the soaring rhetoric of his Second Inaugural this marvelous volume serves as a guide to Lincoln s life through his speeches letters and public remarks

A Lasting Peace Jonathan Bernis, 2019 The crisis in the Middle East is not a political issue It s a spiritual issue Rapidly unfolding events in the Middle East will shape the future not just of Israel but of our entire world This insightful commentary by Rabbi Jonathan Bernis combines historical biblical and prophetic teaching to help you understand what s happening and how Believers should respond to these events Drawing from the perspective of a Jewish Believer in Jesus this book provides a biblical understanding of the complex issues continuing to unfold in the Middle East today and how they relate to key prophecy in Scripture Discover why there is constant upheaval in the Middle East what to watch for in the days ahead and whether peace is really possible Other books by Rabbi Jonathan Bernis include Unlocking the Prophetic Mysteries of Israel A Hope and A Future

No Peace for the Wicked David Rolfs, 2009 The first comprehensive work of its kind David Rolfs No Peace for the Wicked sheds new light on the Northern

Protestant soldiers religious worldview and the various ways they used it to justify and interpret their wartime experiences Drawing extensively from the letters diaries and published collections of hundreds of religious soldiers Rolfs effectively resurrects both these soldiers religious ideals and their most profound spiritual doubts and conflicts *No Peace for the Wicked* also explores the importance of just war theory in the formulation of Union military strategy and tactics and examines why the most religious generation in U S history fought America s bloodiest war from publisher description

Securing the Peace Monica Duffy Toft, 2009-10-26 Timely and pathbreaking *Securing the Peace* is the first book to explore the complete spectrum of civil war terminations including negotiated settlements military victories by governments and rebels and stalemates and ceasefires Examining the outcomes of all civil war terminations since 1940 Monica Toft develops a general theory of postwar stability showing how third party guarantees may not be the best option She demonstrates that thorough security sector reform plays a critical role in establishing peace over the long term Much of the thinking in this area has centered on third parties presiding over the maintenance of negotiated settlements but the problem with this focus is that fewer than a quarter of recent civil wars have ended this way Furthermore these settlements have been precarious often resulting in a recurrence of war Toft finds that military victory especially victory by rebels lends itself to a more durable peace She argues for the importance of the security sector the police and military and explains that victories are more stable when governments can maintain order Toft presents statistical evaluations and in depth case studies that include El Salvador Sudan and Uganda to reveal that where the security sector remains robust stability and democracy are likely to follow An original and thoughtful reassessment of civil war terminations *Securing the Peace* will interest all those concerned about resolving our world s most pressing conflicts

Lend Me Your Ears Antony Jay, 2010-10-28 Now available in Oxford Paperback Reference the fourth edition of the *Oxford Dictionary of Political Quotations* brings together both words of wisdom and things that might have been better left unsaid A mouth watering collection for anyone with an interest in history and politics

The Oxford Handbook of the Economics of Peace and Conflict Michelle R. Garfinkel, Stergios Skaperdas, 2012-04-20 This Handbook brings together contributions from leading scholars who take an economic perspective to study peace and conflict Some chapters are largely empirical exploring the correlates and quantifying the costs of conflict Others are more theoretical examining the mechanisms that lead to war or are more conducive to peace

Just War Theory and Literary Studies Ty Hawkins, Andrew Kim, 2021-09-01 This book questions when why and how it is just for a people to go to war or to refrain from warring in a post 9 11 world To do so it explores Just War Theory JWT in relationship to recent American accounts of the experience of war The book analyses the *jus ad bellum* criteria of just war right intention legitimate authority just cause probability of success and last resort before exploring *jus in bello* or the law that governs the way in which warfare is conducted By combining just war ethics and sustained explorations of major works of twentieth and twenty first century American war writing this study offers the first book length reflection on how JWT and literary studies

can inform one another fruitfully *The Golden Book History of the United States: The Civil War* Earl Schenck Miers, 1963

Women and Children as Victims and Offenders: Background, Prevention, Reintegration Helmut Kury, Sławomir Redo, Evelyn Shea, 2016-06-20 This work compiles experiences and lessons learned in meeting the unique needs of women and children regarding crime prevention and criminal justice in particular the treatment and social reintegration of offenders and serves as a cross disciplinary work for academic and policy making analyses and follow up in developing and developed countries Furthermore it argues for a more humane and effective approach to countering delinquency and crime among future generations In a world where development positively depends on the rule of law and the related investment security two global trends may chart the course of development urbanization and education Urbanization will globalize the concepts of justice and fairness education will be dominated by the urban mindset and digital service economy just as a culture of lawfulness will This work looks at crime prevention education as an investment in the sustainable quality of life of succeeding generations and at those who pursue such crime prevention as the providers of much needed skills in the educational portfolio Adopting a reformist approach this work collects articles with findings and recommendations that may be relevant to domestic and international policymaking including the United Nations Studies and their educational value for the welfare of coming generations The books address the relevant United Nations ideas by combining them with academic approaches Guided by the Editors respective fields of expertise and in full recognition of academic freedom and organized scepticism it includes contributions by lawyers criminologists sociologists and other eminent experts seeking to bridge the gap between academic and policy perspectives as appropriate against the international background including the United Nations developments The second volume opens with Part IV which presents articles on different kinds of crime prevention The effectiveness of punishment and in particular imprisonment is examined by contrasting it with alternative sanctions and the following questions are raised Does harsh punishment have a crime preventive effect What are the side effects of imprisonment on the offenders and their families Are alternatives such as restorative justice or mediation more effective and cheaper Part V outlines proactive strategies of crime prevention e g for potential sex offenders or in the domain of internet crime Part VI envisions a more peaceful and inclusive society which would be realized by improving the protection of women and children in their everyday life and easing the reintegration of those who have become offenders The importance of the role played by the UN in formulating these goals is underlined The volume concludes with an epilogue of the 70th President of the United Nations Economic and Social Council Martin Sajdik and a post scriptum of the editors p **The Hidden Child Brides of the Syrian Civil War** Simona Strungaru, 2024-04-17 This book provides a comprehensive account of one significantly underreported aspect of violence affecting young refugee girls today that of forced child marriage It examines the ongoing insidious practice via the lens of international human rights laws and contextualising human rights laws and discourses in relation to Middle Eastern Islamic and Jordanian understandings of international law and human rights where

the practice in directly impacting young Syrian refugee girls who are seeking refuge in Jordan with their displaced families. The book finds that in a juxtaposition of human rights definitions and obligations between the traditional and modern, the religious and the secular, there are mixed implications for the realisation of universal human rights and that this has consequences for the most vulnerable child refugees. As a result, Syrian children exist in a precarious situation. They are living in a foreign state with an unclear legal status, are largely unidentified and in effect stateless. It is in this liminal space that Syrian children are vulnerable and voiceless and highly exposed to forced marriages and the resultant violence and possibly death. While allowed to continue the practice of child marriage not only severely impedes upon progressive international human rights efforts to eliminate gender-based violence, slavery and discrimination but significantly impacts on children's physical, mental and emotional health and their opportunities for growth and development in society. As a case study, this book seeks to inform how vulnerable Syrian children have come to be increasingly confronted by child marriage and to consider why it occurred and continues to occur even though the idea of children being forcibly married is considered ethically and legally objectionable within international human rights law.

Yeah, reviewing a books **A Just And Lasting Peace The Second Civil War Book 5** could accumulate your near friends listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have astonishing points.

Comprehending as skillfully as deal even more than further will meet the expense of each success. bordering to, the proclamation as with ease as acuteness of this A Just And Lasting Peace The Second Civil War Book 5 can be taken as competently as picked to act.
