A Lie Don T Care Who Tell It:

I'm a Survivor Minister Jewel M. Taylor, 2010-11-22 I would like to first dedicate this book to my 3 sons 1 JaJuan V Taylor 2 JaMel A Taylor 3 JaMarcus M Jacobs Second I would like to dedicate this book to the people across the universe who may feel as though all hope is gone I want to encourage you that no matter what you may face in your life God is the answer to all of our needs He promised that He will supply all of them if we just believe There is nothing too hard for God because He is bigger than anything you come against My story is a perfect example of what God can do if you would allow Him to work it out for you He can make the impossible seem possible I never would have imagined that I would end up with breast cancer and diabetes among other ailments So many people in the world today are suffering from these diseases Millions die everyday for not getting the proper medical treatment I am a living witness that God can heal you just like Hes healed me I hope and pray that this book will be a blessing to you I encourage you not to give up hope *Women Are the New Men*

Kenny Mack, 2011-09-15 Its no secret Women have a hidden power that men often overlook Men think that they invented all the tricks to get what they want but really its the other way around Time after time men who think they are winning the game are really losing That becomes all too clear in this account written by stand up comedian Kenny Mack who looks at his own relationships to demonstrate that men have nothing on women when it comes to gamethose skills that an individual uses to get what he or she wants Get ready to discover hidden truths including why women really say I love you why women dont want you to get to know them why and how women recreate themselves why its so hard for men to admit theyve been played Youll also learn the many other games that women play to manipulate men If you want to truly understand what a woman is thinking when she meets you kisses you or tells you she loves you then you need to understand that Women Are the New Men
