Boxed Set: The Billionaire Boss's Obsession 2 & 3 (BWWM Interracial Romance Short Stories) Viola Black, 2016-09-14 *Rogues, Romance, and Exoticism in French Cinema of the 1930s* Colleen Kennedy-Karpat, 2013-04-11 Many popular French films of the 1930s captured the world and brought it into neighborhood cinemas for filmgoers who craved adventure These films often served as visual postcards from the French empire which enjoyed an unprecedented visibility in domestic popular culture between the world wars But the public appetite for the exotic also transcended imperial borders Exoticist films displayed landscapes and different that lay beyond the metropole many of which were not subject to European rule This broad conception of the exotic meant that French narrative cinema represented both colonial and non colonial settings and populations developing a coherent set of tropes that were shaped yet not entirely defined by the politics of imperial rule Empire alone cannot address the full range of the French exoticist imaginary that was projected onto movie screens in the 30s Only by venturing beyond imperial boundaries can we fully understand how the French saw non

Westerners and by extension how they saw themselves during this tumultuous decade **Rogues Romance and Exoticism in French Cinema of the 1930s** proposes a critical framework for exoticist cinema that includes and exceeds the limits of empire From rogue colons to the m tisse in love from the deserts of North Africa to the streets of Shanghai this book identifies and analyzes recurring figures common settings major stars plot devices and narrative outcomes that dominated exoticist cinema at its popular peak **The Art of Love** Cristina Grenier, Marie Parker, When an ebony artist strokes his ego as well as her paint strokes a canvas he ll do just about anything to create a masterpiece of love Follow their love story as billionaire cowboy Brandon Fairchild and artist Elise Saunders fall head over heels for each other As they grow into their love challenges arise from all possible angles Bitter exes racist friends and stubborn families set in their beliefs do everything possible to disrupt their blossoming relationship But love should always prevail no matter the skin color of the lovers Love should always shine through no matter the obstacles set in their path Will these two lovers be able to master the Art of Love

Diary of Love & War Cristina Grenier, Dean Malloy expected anything from his first deployment as a U S Marine Infantry soldier but he didn t expect to end up in the middle of a civil war in Bosnia and Herzegovina where lines between friend and foe don t seem to exist Still stemming from a long line of Military men and women Dean is determined to make the best out of the worst circumstances and make his family proud And it doesn t really matter to him that warfare leaves no time for romance or does it Nadja Ilic has lost everything in 1992 Sarajevo as violence filled the streets Holed up in a valley in the mountains she waits for what she believes is certain death After all the wrong side is bound to find her sooner or later and whoever will stumble upon her house can t certainly be armed with good intentions or can they With only their journals to gather their confidences Dean and Nadja stumble upon each other when they both need it the most While what is now recognized as the worst European conflict of our time since World War II rages in the background the two being a personal journey that will lead them to discover that life and love are stronger than any war **Horrifying Sex** Ruth Bienstock Anolik, 2007-07-16 The Gothic moment in literary history arose in the age of the Enlightenment and the Gothic fascination with the unknown reflects the Enlightenment s response to the limits of reason Traditionally the emblem of the unknown that lurks in the Gothic is the supernatural the monstrous and the inhuman Often overlooked is the observation that Gothic texts are also haunted by figures that represent the mystery of sexuality This collection of essays sharpens that observation and asserts that Gothic anxieties about sexuality are likewise rooted in fear of the unknown represented by sexual practices and desires that either lie hidden or deviate from cultural norms The first three sections refer to popular as well as marginalized Gothic texts to portray the three prototypes of sexual deviance the female sexual Other in *The Fatal Woman* the male sexual Other in *The Satanic Male* and the homosexual Other in *Homosexual Horror* The fourth section covers literary works that celebrate sexual difference and question the idea that the sexually deviant is socially Other **Mad Mafia Love** Jamila Jasper, A spicy but not dark completed mafia romance trilogy with over 150 000 words of interracial mafia romance complete

with a new foreword by Jamila Jasper a new BONUS chapter from another mafia romance and a fully updated eBook paperback hardcover formatting for 2025 This completed trilogy contains the complete romantic bwwm love story between Eve a full figured and savvy black woman who owns a charming small business in Boston and Nico Riccardi a dangerous Italian mafia enforcer In Book 1 Nico drags Eve into the dangerous world of organized crime when he first lays eyes on her and decides to make the small business owner his own She knows that this man is far too dangerous to be a boyfriend much less her life partner but Nico shows his love for her more than any man has in the past Book 2 Eve and Nico build their family but lose their son to the dangerous world of the mafia He is alive but there is little chance of getting him back unless they work together and cross an ocean to return him In Book 3 Eve and Nico's dreams of leaving the mafia are jeopardized when a dark secret from Nico's Italian past crashes their wedding day Danger closes in and their bond faces its final test Filled with sizzling bedroom scenes intense mafia action and high stakes romantic drama this BWWM mafia romance trilogy is a must have for your Kindle's spicy mafia romance collection

Dangerous Desire Pamela Barnett, 2004-11-15 *Dangerous Desire* is an important work that calls attention to how post 1960s literary representations of rape have shaped the ways in which both sexual and social freedoms are imagined in American culture Exploring key post sixties texts including Cleaver's *Soul on Ice* Brownmiller's *Against Our Will* French's *The Women's Room* Naylor's *The Women of Brewster Place* Walker's *Meridian* and Dickey's *Deliverance* Barnett finds that the widespread literary explorations of rape were almost always conjoined with one or more of the radical social movements of the sixties civil rights black nationalism women's liberation and black feminism Sexual violence emerges in these texts when the transformative possibilities articulated by sixties era liberation movements trigger and intensify imbalances of power and cultural difference for example Eldridge Cleaver's claim that he lashed out against the white power structure by raping white women This book should be of considerable interest to students and scholars of 20th century American literature as well as American Studies and African American Studies scholars interested broadly in issues of sexuality race and violence
