The Love Story in Shakespearean Comedy Anthony J. Lewis,2014-10-17 In this fascinating study Anthony J Lewis argues that it is the hero himself rejecting a woman he apprehends as a threat who is love s own worst enemy Drawing upon classical and Renaissance drama iconography and a wide range of traditional and feminist criticism Lewis demonstrates that in Shakespeare the actions and reactions of hero and heroine are contingent upon social setting father son relations patriarchal restrictions on women and cultural assumptions about gender appropriate behavior This compelling analysis shows how Shakespeare deepened the familiar love stores he inherited from New Comedy and Greek romance Beginning with a penetrating analysis of the hero s contradictory response to sexual attraction Lewis s discussion traces the heroine s reaction to abandonment and slander and the lover s subsequent parallel descents into versions of bastardy and death In arguing that comedy s happy ending is the product of the gender role reversals brought on by their evolving relationship itself Lewis shows in meticulous detail how sexual stereotypes influence attitudes and restrict behavior This perceptive discussion of male response to family and of female response to rejection will appeal to Shakespeare scholars and students as well as to the theater community Lewis s persuasive argument that Shakespeare s heroes and heroines are from the first three dimensional figures far removed from the stock types of Plautus Terence and his continental sources will prove a valuable contribution to the ongoing feminist reappraisal of Shakespeare *The unfolding of all true love stories* Scott ja Fleming,2019-03-21 True love needn t be overtly expressive but yet it can be the unconditional love lovers yearn for To love someone unconditionally in simple words means to love a person without any conditions You love them as they are just as they were before and just as they will be in the future That s because people change all the time so if you love a person unconditionally you will love them even if they become something you don t agree with or even if they become old and sick isn t it *Primitive Love and Love-stories* Henry T. Metacinema in Contemporary Chinese Film G. Andrew Stuckey, 2018-08-17 Depictions within a movie of either filmmaking or film watching are hardly novel but the dramatic expansion of the reach of the metacinematic into contemporary Chinese cinemas is nothing short of remarkable To G Andrew Stuckey the prevalence of metacinematic features forms the basis of a discourse on film arising from the films themselves Such a discourse in turn outlines the boundaries of the possible for film in China as aesthetic or sociopolitical practice Metacinema also draws our attention to the presence of the audience people actively responding to a film In elucidating the affective responses elicited by the metacinematic mode in the viewers Stuckey argues that metacinema reflects ways of being in the world that audiences may take up for themselves The films studied in this book are drawn across the full spectrum of Chinese films made in mainland China Hong Kong and Taiwan during the 1990s and 2000s from award winning conceptual art films to popular crowd pleasers blockbusters to low budget productions and

documentary style social realist expos projects to studio assembly line investments The recurrence of the metacinematic across this broad range of works is indicative of its relevance to Chinese films today and the analysis of these diverse examples allows us to gauge the cultural social and aesthetic implications of Chinese cinemas as a whole Stuckey surveys a broad swath of contemporary Chinese cinema from popular blockbusters to elite art films around the theme of metacinema yielding new insights into both previously neglected films and those already acknowledged as contemporary classics The result is a fascinating dive into the growing and diversifying cinema culture of China today Jason McGrath University of Minnesota Stuckey's brilliant work *Metacinema in Contemporary Chinese Film* offers insightful close analyses of films by key directors from the PRC Jiang Wen Lou Ye Jia Zhangke and Li Yu Hong Kong Peter Chan and Taiwan Tsai Ming-liang This clearly written book is essential reading for scholars and students of Chinese cinemas Stuckey's study of genre and metacinema makes it a must read for anyone interested in cinema Michelle Bloom University of California Riverside
