A New Heaven and a New Earth J. Richard Middleton, 2014-11-25 In recent years more and more Christians have come to appreciate the Bible's teaching that the ultimate blessed hope for the believer is not an otherworldly heaven instead it is full bodied participation in a new heaven and a new earth brought into fullness through the coming of God's kingdom Drawing on the full sweep of the biblical narrative J Richard Middleton unpacks key Old Testament and New Testament texts to make a case for the new earth as the appropriate Christian hope He suggests its ethical and ecclesial implications exploring the difference a holistic eschatology can make for living in a broken world

The Whole Gospel for the Whole World Franklin Pyles, Lee Beach, 2016-10-03 Like most Protestant denominations the Christian and Missionary Alliance CMA was founded upon ideas that shaped its vision and ethos throughout its history Also like most denominations over time the influence of these ideas on the movement tends to diminish Denominations like any organization have to consistently revisit their original vision in order to remain vitally sustained by those things that gave it a reason for existing in the first place This book addresses six key ideas that have shaped the Christian and Missionary Alliance throughout its history Jesus as our savior sanctifier healer and coming king which are known as the fourfold gospel as well as the concepts of Jesus only and

world mission These ideas are at the heart of the C MA identity However there has long been a sense within C MA circles that these core ideas are not always given the kind of attention that they deserve so that they can dynamically shape the movement as it faces the challenges of being the church in the twenty first century This volume is a resource for Alliance churches that will help them re engage with the central tenets of Alliance theology and spirituality in a way that will ultimately inspire greater passion for the cause of Christ in the world as it is uniquely expressed through the movement known as the Christian and Missionary Alliance

Seeing God Hans Boersma, 2018 Winner of the Christianity Today Book Award in Theology Ethics 2019 To see God is our heart s desire our final purpose in life But what does it mean to see God And exactly how do we see God with our physical eyes or with the mind s eye In this informed study of the beatific vision Hans Boersma focuses on vision as a living metaphor and shows how the vision of God is not just a

future but a present reality Seeing God is both a historical theology and a dogmatic articulation of the beatific vision of how the invisible God becomes visible to us In examining what Christian thinkers throughout history have written about the beatific vision Boersma explores how God trains us to see his character by transforming our eyes and minds highlighting continuity from this world to the next Christ centered sacramental and ecumenical Boersma s work presents life as a never ending journey toward seeing the face of God in Christ both here and in the world to come **A Commentary on Numbers**
