A Partisans Daughter

Louis De Bernières

A Partisans Daughter:

A Partisan's Daughter Louis De Bernières, 2009 A Partisan's Daughter features the relationship between Chris an unhappily married middle aged Englishman and Roza a young Yugoslavian woman who tells him of her troubled adventurous past Originally published London Harvill Secker 2008 **A Partisan's Daughter** Louis de Bernières, 2008-12-04 A beautiful and unlikely love story about what unites us from the bestselling author of Captain Corelli's Mandolin Chris is in his forties bored lonely trapped in a loveless sexless marriage He's a stranger to the 1970s youth culture of London a stranger to himself on the night he invites a prostitute into his car Roza has recently moved to London from eastern Europe She's in her twenties but has already lived a life filled with danger misadventure romance and tragedy And though she's not a prostitute when she's propositioned by Chris she gets into his car anyway Over the next few months Roza tells Chris the stories of her past She's a fast talking Scheherazade saving her own life by telling it to Chris And he takes in her tales as if they were oxygen in an otherwise airless world But is Roza telling the truth Does it even matter Sublimely funny and moving Independent A Partisan's Memoir Faye Schulman, Faye tells her unforgettable story of heroism hardship and resistance Faye was an ordinary teenager when the Nazis invaded her town on the Russian Polish border She had a large loving family good friends and neighbours most of whom were lost soon after the horrors of the Holocaust began But Faye survived and the photographs she took testify to her experiences and the persecution she witnessed Decorated for heroism Schulman uses her biography to tell an extraordinary story not just of survival but of struggle and resistance against oppression She talks about escaping from the Nazis finding a partisan unit and proving her worth The photographs she took speak eloquently of her experience of surviving for years in the woods with the partisans There she learned to nurse the ill and wounded and took up arms against those who had decimated her world **Women and Yugoslav Partisans** Jelena Batinić, 2015-05-12 This book focuses on the mass participation of women in the communist led Yugoslav Partisan resistance during World War II

Women and Partisan Art Elena Messner, Cristina Beretta, Goran Lazičić, Markus Gönitzer, 2025-10-31 The resistance by partisan women in Yugoslavia and Carinthia Austria and particularly their artistic production have not been acknowledged in the historical accounts of World War II Their art was both a form of resistance and a culturally subversive practice ranging from avant garde aesthetics to traditional forms of folk art and handicraft The cultural production by and subsequently about the Yugoslav and Carinthian women partisans includes literature visual arts film photography comics textiles press theater dance and monument architecture The contributors to this volume present this groundbreaking research to mark eighty years since the victory over Nazism and fascism in Europe **Jewish Partisans of the Soviet Union during World War II** Jack Nusan Porter, 2021-08-31 Jewish Partisans of the Soviet Union is a classic compilation of original Russian and Jewish sources on the anti Nazi resistance in Eastern Europe It is rooted in decades of research motivated by a desire to set the record straight on Jewish participation in resistance movements a phenomenon often overlooked when not actively concealed

As the son of Jewish partisans in Nazi occupied Eastern Europe Jack Porter presents here the result of his decades long research first hand accounts and interviews with survivors and partisans as well as some of their original work and a seminal English translation of Partisan Brotherhood a historical document gathered by Russian Jewish intellectuals in 1948 at the height of anti Semitic hysteria written mainly by non Jewish Soviet partisan commanders recounting the deeds of the Jewish fighters in their units

A Madman's Will Gregory May,2023-04-11 The untold saga of John Randolph s 383 slaves freed in his much contested will of 1821 finally comes to light Few legal cases in American history are as riveting as the controversy surrounding the will of Virginia Senator John Randolph 1773 1833 which almost inexplicably freed all 383 of his slaves in one of the largest and most publicized manumissions in American history So famous is the case that Ta Nehisi Coates has used it to condemn Randolph s cousin Thomas Jefferson for failing to free his own slaves With this groundbreaking investigation historian Gregory May now reveals a more surprising story showing how madness and scandal shaped John Randolph s wildly shifting attitudes toward his slaves and how endemic prejudice in the North ultimately deprived the freedmen of the land Randolph had promised them Sweeping from the legal spectacle of the contested will through the freedmen s dramatic flight and horrific reception in Ohio A Madman s Will is an extraordinary saga about the alluring promise of freedom and its tragic limitations

Appropriating History Matthias Schwartz,Nina Weller,2024-09-03 Popular media play an important role in reconstructing collective imaginations of history Dramatic events and ruptures of the 20th century provide the material for playful as well as neo imperialist and nationalist appropriations of the past The contributors to the volume investigate this phenomenon using case studies from Belarusian Russian and Ukrainian popular cultures They show how in mainstream films TV series novels comics and computer games the reference to Soviet history offers role models action patterns and even helps to justify current political and military developments The volume thus presents new insights into the multi layered and explosive dynamics of popular culture in Eastern Europe

Children of the Greek Civil War Loring M. Danforth,Riki Van Boeschoten,2024-05-31 At the height of the Greek Civil War in 1948 thirty eight thousand children were evacuated from their homes in the mountains of northern Greece The Greek Communist Party relocated half of them to orphanages in Eastern Europe while their adversaries in the national government placed the rest in children s homes elsewhere in Greece A point of contention during the Cold War this controversial episode continues to fuel tensions between Greeks and Macedonians and within Greek society itself Loring M Danforth and Riki Van Boeschoten present here for the first time a comprehensive study of the two evacuation programs and the lives of the children they forever transformed Marshalling archival records oral histories and ethnographic fieldwork the authors analyze the evacuation process the political conflict surrounding it the children s upbringing and their fates as adults cut off from their parents and their homeland They also give voice to seven refugee children who poignantly recount their childhood experiences and heroic efforts to construct new lives in diaspora communities throughout the world A much needed corrective to previous historical accounts Children of the Greek Civil War

is also a searching examination of the enduring effects of displacement on the lives of refugee children *Liberated Cinema*
Daniel J. Goulding, 2002 Originally published in 1985 *Liberated Cinema The Yugoslav Experience* received the first annual
Close up award from the Yugoslav Film Institute in 1986 for outstanding scholarship and for promoting the values of
Yugoslav film art internationally This new edition has been revised and updated throughout It has been expanded to complete
the story of the new Yugoslav cinema of the 1980s and to address major film developments that have taken place in the
former Yugoslavia's five successor states As in his analysis of past periods of Yugoslav cinema Goulding situates the most
recent developments within the context of film economics state subsidies and changing patterns of political control Most
significantly however he provides an insightful discussion of the ways in which critically important domestic feature films
produced or co produced from 1991 to 2001 reflect on recent brutal internecine warfare and other contemporary social
cultural and political realities after the breakup of Yugoslavia

Unveiling the Magic of Words: A Review of "**A Partisans Daughter**"
