A Pilgrim And The Greyman:

A Pilgrim and the Greyman Christopher A. Smith,2015-01-12 Raised in a remote sanctum far from civilization Nicholas is forced into exile and pursued around the ancient world by a misanthropic entity Nicholas exile quickly becomes an impromptu adventure that reveals certain truths about his future and humanity s past Despite his fears Nicholas is drawn inexorably towards a confrontation he has little chance of surviving *Christopher Nicholas Cas Erchamion*,2014-07-16 The world burned Our home drowned I fell into twilight I dreamed of a tiny ripple born in the heart of a storm Resonating in the rage of an ancient enemy returned from exile it became a wave Echoing misery suffered by alienation it gained tidal strength and lapped against the walls of an island sanctum heralding both threat and blessing Tall strong and singular in purpose the once tiny ripple grew into a tsunami rolling quietly across the ocean like a rogue continent towards a peaceful coastline Unheeded unexpected the mighty surge collided against the will of an indomitable foe The devastation left in its wake was a small price to pay for the calm that followed The meek could inherit at least for a short while the earth Usher Ravenscrawl Archivist of Twilenos Raised and educated in a realm far removed from civilization Nicholas finds himself forced into exile and pursued by a misanthropic entity Venturing to remote corners of the world in an effort to avoid capture he learns more of past events that shaped the fate of humanity over millennia Armed only with an odd assortment of birthday gifts which lack any kind of resemblance to a weapon Nicholas is nevertheless forced into conflict far earlier than his benefactors intended Artfully rendered into an impromptu adventure around the ancient world this historical fiction fantasy weaves a genesis myth about a folklore icon s youthful struggle Despite his fears Nicholas draws inexorably towards a confrontation he has little chance of surviving *The little grey man of Aix la Chappelle [in verse]*, sketched by L.G.
