

A Raisin in the Sun

The Quest for the American Dream

Hook: Why do people from other countries immigrate to America?

Read the Playright:

Before we get into it, a warning: Lorraine Hansberry is a complex. The daughter of Carl and Lorraine Hansberry, Lorraine grew up in a middle-class family where both of her parents were political activists competing against Jim Crowism.

Guided Questions

How does the play *A Raisin in the Sun* mirror the social, educational, political, and economic climate of the 1950s and how does the play illustrate the impact this climate had on African Americans' quest for "The American Dream"?

How do you think the props, costumes, and movements of the actors portrayed help to tell the story they are performing?

What is the "dream" that the family is pursuing? Is it a "dream" that is deferred? What factors is a dream deferred?

A Dream Deferred by Langston Hughes

What happens to a dream deferred?
Does it dry up
Like a raisin in the sun?
Or fester like a sore—
And then run?
Does it stink like rotten meat?
Or crust and sugar over—
Like a syrupy sweet?

Maybe it just sags
Like a heavy load.

Or does it explode?

The Other Side of Teaching Evelyn Uddin-Khan,2015-03-13 The substandard education most American students receive isnt the fault of teachers As longtime educator Evelyn A Uddin Khan points out few parents and politicians know what actually goes on behind the closed doors of public schools Most teachers operate under exploitative conditions overseen by school administrators corrupt with power Unlike past eras where students once brought apples to their teachers most teachers can count on students to be bored and irresponsible and to make spurious claims to their rights when their asocial behavior is challenged in a classroom setting She shows how education standards have eroded amidst an atmosphere where grades are inflated curricula are diluted and ignorance is mass produced She shows how the once powerful teachers unions have become little more than voting machines how segregation is alive in NYC and how a death threat is taken in stride Many of the incidents and anecdotes are real life stories where the names of the participants have been changed in order to protect their identities Her informative challenging book is an attempt to set the record straight on the reputation of public school teachers who she feels have been unfairly maligned in the press and in current political debates

Using Informational Text to Teach A Raisin in the Sun Audrey Fisch,Susan Chenelle,2016-02-12 The Common Core State Standards mean major changes for language arts teachers particularly the emphasis on informational text How do we shift attention toward

informational texts without taking away from the teaching of literature. The key is informational texts deeply connected to the literary texts you are teaching. Preparing informational texts for classroom use however requires time and effort. Using Informational Text to Teach Literature is designed to help. In this second volume the first volume is on *To Kill a Mockingbird* we offer informational texts connected to Lorraine Hansberry's *A Raisin in the Sun*. Readings range in genre: commencement address, historical and cultural analysis, government report, socioeconomic research study, and Supreme Court decision and topic: housing discrimination, past and present, abortion, the racial and cultural politics of hair, socioeconomic mobility and inequality, the violence associated with housing desegregation, and the struggle against the legacy of systemic racism. Each informational text is part of a student-friendly unit with reading strategies and vocabulary writing and discussion activities. Teachers need to incorporate nonfiction in ways that enhance their teaching of literature. The *Using Informational Text to Teach Literature* series is an invaluable supportive tool.

English is a Happy Thing: A Book of Reading, Letting Go of Literary Whiteness Carlin Borsheim-Black, Sophia Tatiana Sarigianides, 2019-09-06. Rooted in examples from their own and others' classrooms, the authors offer discipline-specific practices for implementing antiracist literature instruction in White dominant schools. Each chapter explores a key dimension of antiracist literature teaching and learning, including designing literature-based units that emphasize racial literacy, selecting literature that highlights voices of color, analyzing Whiteness in canonical literature, examining texts through a critical race lens, managing challenges of race talk, and designing formative assessments for racial literacy and identity growth. **Book Features:** Specific classroom scenarios and transcripts of race-related challenges that teachers will recognize to help situate suggested strategies; Sample racial literacy objectives, questions, and assessments to guide unit instruction; A literature-based unit that addresses societal racism in *A Raisin in the Sun*; Assignments for exploring Whiteness in the teaching of *The Adventures of Huckleberry Finn*; Questions teachers can use to examine *To Kill a Mockingbird* through a critical race lens; Techniques for managing difficult moments in whole-group discussions; Collaborative glossary and exploratory essay assignments to build understanding of race-based concepts and racial identity development.

Teaching Authentic Language Arts in a Test-Driven Era Arthur T. Costigan, 2010-11-01. Most pre-service education students are enthusiastic about the progressive, constructivist, and student-centered theory and practice advocated in many teacher education programs and by the National Council of Teachers of English. Yet in actual day-to-day practice, teachers often have trouble thinking of ways in which such student-centered and constructivist practices in literacy instruction can be implemented in classrooms which are increasingly driven by high-stakes tests, increased accountability, and mandated and even teacher-proof scripted curricula. *Teaching Authentic Language Arts in a Test-Driven Era* provides a powerful and much-needed counterargument to the assumption that test-driven curricula preclude meaningful instruction and authentic student engagement within a Language Arts curriculum. Providing teachers with the theoretical stances and pedagogical tools to develop a Language Arts practice which can be personally rewarding as well as beneficial to students.

Teaching Authentic Language Arts in a Test Driven Era empowers teachers to be effective even within the confines of a testing and accountability driven curriculum **Sg Raisin in the Sun W/Conn** Holt Rinehart & Winston,2000-07-15
