Aliens: Bishop T.R. Napper,2023-12-05 A direct sequel to Aliens and Alien 3 Weyland Yutani the Colonial Marines and Bishop s creator all pursue the android for the deadly Xenomorph data contained in his brain Written by T R Napper author of the acclaimed 36 Streets whose explosive work explores the artificial intelligence and what it is to be human Massively damaged in Aliens and Alien3 the synthetic Bishop asked to be shut down forever His creator Michael Bishop has other plans He seeks the Xenomorph knowledge stored in the android s mind and brings Bishop back to life but for what reason No longer an employee of the Weyland Yutani Corporation Michael tells his creation that he seeks to advance medical research for the benefit of humanity Yet where does

he get the resources needed to advance his work With whom do his new allegiances lie Bishop is pursued by Colonial Marines Captain Marcel Apone commander of the Il Conde and younger brother of Master Sergeant Alexander Apone one of the casualties of the doomed mission to LV 426 Also on his trail are the Dog Catchers commandos employed by Weyland Yutani Who else might benefit from Bishop s intimate knowledge of the deadliest creatures in the galaxy Adult EsL Trudy Smoke,2013-05-13 The essays in this book focus on political strategies pedagogical models and community programs that enable adult ESL learners to become vital members of North American society This is particularly important in our present time of contraction and downsizing in the education of non native speakers The authors represent a broad range of programs and perspectives but they all have in common the goal of enabling both faculty and students to become full participants in our society and thereby to gain control over their futures Readers of this book will develop an understanding of the ways in which innovative educators are creating strategies for maintaining language programs and services **Alien: Seventh Circle** Philippa Ballantine,Clara Carija,2025-01-07 As human colonies are obliterated by the dark pathogen and hideous monstrosities proliferate a family of scavengers find an amnesiac who may hold the secrets to the forces tearing apart the galaxy Life amongst the stars is brutal Human colonies are being obliterated by a dark pathogen launched from mysterious ships which turns whole populations into hordes of ravenous monsters And no one knows what happened to the Jackals the cadre of soldiers hunting down the perpetrators of these atrocities When a family of scavengers recover the amnesiac Mae Hendricks amongst the wreckage of an unidentified ship they bring a world of pain down on themselves and the civilians of Guelph Station Mae doesn t know where she is from or her true nature nor that she is being hunted by vicious adversaries Mae s past could reveal the conspiracy that is tearing the galaxy apart but may well unleash a tide of snarling terrors

Narrative Podcasting in an Age of Obsession Neil Verma,2024-06-03 It has been a decade since Serial brought the narrative podcast to the center of popular culture In that time there has been an enormous boom in the production of podcasts that tell stories particularly in the fields of true crime storytelling history and narrative fiction Now that the initial glow around the medium has begun to fade it is time to reevaluate the medium s technological political economic and cultural rise in particular what types of storytelling accompanied that rise Narrative Podcasting in an Age of Obsession is the first book to look back on this prodigious body of material and attempt to make sense of it from a structural historical and analytic point of view Focusing on more than 350 podcasts and other audio works released between Serial and the COVID pandemic the book explores why so many of these podcasts seem obsessed with obsession why they focus not only on informing listeners but also dramatizing the labor that goes into it and why fiction podcasts work so hard to prove they are a brand new form even as they revive features of radio from decades gone by This work also examines the industry s reckoning with its own implication in systemic racism misogyny and other forms of discrimination Employing innovative new critical techniques for close listening including pitch tracking software and spectrograms Narrative Podcasting in an Age of
