

Amazing Arts 6 Reuven Rubin Volume 6

Michal Rosen-Zvi

Amazing Arts 6 Reuven Rubin Volume 6:

Art in Zion Dalia Manor, 2004-12-03 Art in Zion deals with the link between art and national ideology and specifically between the artistic activity that emerged in Jewish Palestine in the first decades of the twentieth century and the Zionist movement In order to examine the development of national art in Jewish Palestine the book focuses on direct and indirect expressions of Zionist ideology in the artistic activity in the yishuv the Jewish community in Palestine In particular the book explores two major phases in the early development of Jewish art in Palestine the activity of the Bezalel School of Art and Crafts and the emergence during the 1920s of a group of artists known as the Modernists **Amazing Arts # 6** Dirk Stursberg, 2014-11-07 Amazing Arts is a photo book series by Harliet Maina and Dirk Stursberg [www thevintageden com](http://www.thevintageden.com)

Studies in Contemporary Jewry Ezra Mendelsohn, Richard I. Cohen, 1990-11-30 The sixth volume of the annual publication of the Institute for Contemporary Jewry at The Hebrew University of Jerusalem Art and Its Uses analyzes the levels of meaning present in a wide range of visual images from high art by Jewish artists to Judaica caricatures and political propaganda The use of such material to illuminate aspects of modern history and society is rather uncommon in the field of modern Jewish studies these essays provide the tools necessary for understanding the image in its proper social and political context The distinguished contributors include Richard I Cohen Michael Berkowitz Milly Heyd Irit Rogoff Chone Shmeruk Ziva Amishai Maisels Vivianne Barsky and Vivian Mann Accompanied by more than 160 illustrations the essays shed new light on such topics as Jewish nationalism Jewish identity and Jewish gentile relations In addition to the symposium the volume contains articles by major scholars of contemporary Jewish studies a substantial book review section and a list of recent dissertations in the field *Only Yesterday* S. Y. Agnon, 2019-02-26 When Israeli Nobel Laureate S Y Agnon published the novel *Only Yesterday* in 1945 it quickly became recognized as a major work of world literature not only for its vivid historical reconstruction of Israel s founding society The book tells a seemingly simple tale about a man who immigrates to Palestine with the Second Aliya the several hundred idealists who returned between 1904 and 1914 to work the Hebrew soil as in Biblical times and revive Hebrew culture This epic novel also engages the reader in a fascinating network of meanings contradictions and paradoxes all leading to the question what if anything controls human existence Seduced by Zionist slogans young Isaac Kumer imagines the Land of Israel filled with the financial social and erotic opportunities that were denied him the son of an impoverished shopkeeper in Poland Once there he cannot find the agricultural work he anticipated Instead Isaac happens upon house painting jobs as he moves from secular Zionist Jaffa where the ideological fervor and sexual freedom are alien to him to ultra orthodox anti Zionist Jerusalem While some of his Zionist friends turn capitalist becoming successful merchants his own life remains adrift and impoverished in a land torn between idealism and practicality a place that is at once homeland and diaspora Eventually he marries a religious woman in Jerusalem after his worldly girlfriend in Jaffa rejects him Led astray by circumstances Isaac always ends up in the place opposite of where he wants to be

but why The text soars to Surrealist Kafkaesque dimensions when in a playful mode Isaac drips paint on a stray dog writing Crazy Dog on his back Causing panic wherever he roams the dog takes over the story until after enduring persecution for so long without understanding why he really does go mad and bites Isaac The dog has been interpreted as everything from the embodiment of Exile to a daemonic force and becomes an unforgettable character in a book about the death of God the deception of discourse the power of suppressed eroticism and the destiny of a people depicted in all its darkness and promise

The Object of Jewish Literature Barbara E. Mann, 2022-07-26 A history of modern Jewish literature that explores our enduring attachment to the book as an object With the rise of digital media the death of the book has been widely discussed But the physical object of the book persists Here through the lens of materiality and objects Barbara E Mann tells a history of modern Jewish literature from novels and poetry to graphic novels and artists books Bringing contemporary work on secularism and design in conversation with literary history she offers a new and distinctive frame for understanding how literary genres emerge The long twentieth century a period of tremendous physical upheaval and geographic movement witnessed the production of a multilingual canon of writing by Jewish authors Literature s objecthood is felt not only in the physical qualities of books bindings covers typography illustrations but also through the ways in which materiality itself became a practical foundation for literary expression
