## World War II

World War II was the world's most devastating war to date. It took place between 1939 and 1945 and over 70 million people died.

The battle was fought between the Allied Powers (Britain, France, the United States and the Soviet Union), and the Axis Powers (Germany, Italy and Japan). Some countries like Spain, Sweden and Switzerland didn't join either side. They remained neutral throughout the war.

In 1918, Germany lost World War I. In 1923 the leader of Germany was a man called Adolf Hitler. Hitler wanted to make Germany great again. He had his armies trained and got his country ready for war.

On 1st September, 1939, Germany invaded Poland.

World War II began on the 3rd September 1939 when the Prime Minister of Britain, Neville Chamberlain, declared war on Germany. 61 countries were involved.

The United States didn't join the war until Japan attacked their Naval Base at Pearl Harbor on 7 December 1941. The next day the U.S. declared war on Japan and on Japan's allies, the Germans.

The leaders of the Allied countries, Winston Churchill (British Prime Minister), Franklin Roosevelt (the U.S. President) and Joseph Stalin (leader of the Soviet Union) were known as 'The Big Three'.

Germany soon invaded France, Holland, Belgium, Denmark, Norway, Yugoslavia, the USSR and Greece. They had a plan to invade Britain as well. It was called Operation Sea Lion. It wasn't successful.

The Allied team sent an army to free France from Nazi rule. A year later the army invaded Germany. They surrounded the capital, Berlin, on March 7, 1945. Hitler knew he had lost the war and committed suicide before they could capture him.

Germany surrendered on 8 May 1945 but the Japanese continued to fight in the Pacific. After the United States dropped two atomic bombs on Japanese cities: Hiroshima and Nagasaki, Japan surrendered on 2 September 1945.

The 6-year war was finally over.
