

AP[®] EDITION

American Government Institutions & Policies

Tenth Edition

American Government: Institutions and Policies is acclaimed for its coverage of public policy, its clear writing style, and the scholarship of its authors, James G. Wilson, John J. DiIulio, Jr., and Meena Bose. The text focuses on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and the examination of who governs in America and to what ends.

IN THIS EDITION:

- **The latest scholarship and coverage of current events** including the Obama presidency and the 111th Congress, the economic downturn and new policies to combat the crisis, the Guantanamo Bay dilemma, and the war in Afghanistan.
- **New "Research Frontiers" boxes** highlight new findings about how politics works, ask readers to think critically about future implications, and challenge them to conduct their own research for deeper understanding.

"In comparison with the other texts I have looked at, Wilson is more appealing on general appearance and more inviting to the AP student reader. I especially feel the visuals are superior to other texts.... I have always felt that the book was very well-balanced and fair, which is essential in teaching a high school class because you want them to be able to understand the different points of view that exist without being swayed towards one view.... I was so impressed with each of these three sections [Preparing for the AP Exam, Taking the AP U.S. Government and Politics Exam, and Correlation for U.S. Government and Politics]."

— Stan Crippen, Teacher, Elsinore High School

OUR MISSION: At Wadsworth Political Science, our goal is to publish current, relevant programs that help instructors create lively, engaging classrooms. We aim to further inspire those students who are passionate about the discipline, and to motivate beginning students by showing them that they can, indeed, make a difference. Wadsworth, a part of Cengage Learning, publishes textbooks and programs for all of the course areas in the Political Science curriculum.
