Raine's impressive book I can't wait to begin to use it as a seminal text in my classes in organizational conflict. I am amazed at her ability to cover so well such disparate subjects as systems design, public policy disputes, small and large group processes, customer conflicts, conflicts in a unionized environment and conflicts within regulatory contexts. Her user-friendly writing style is enhanced by her salient examples of exemplary and mistake-laden practices within public and private sector organizations. A must-read for scholars, students, and practitioners interested in organizational conflict.

Neil H. Katz, professor, Conflict Analysis and Resolution, Nova Southeastern University. Conflict management skills are essential to a manager's success. Raines, a leading scholar and practitioner, provides a comprehensive and strategic new guide to these critical skills and how to use them in any organization.
