Wiki vs NWO (New World Order) Grant Elder,2014-11-07 Most people shun the word conspiracy The media has made it seem like all conspiracies are theories and that anyone who discusses them is a tinfoil hat Yet anyone who has studied history or business knows that conspiracies are a part of the human experience Once we realize this the question arises what conspiracies are occurring in our time that are significant What perceptions of the world do we hold that are incorrect Western civilization although technologically advanced beyond the days of a Flat Earth or geocentric universe is blind to its own corruptions Our governing practices were established over a century ago and have evolved very little If we could apply the success we've had in science technology and understanding the human condition to the way we govern our society what would our world look like Be forewarned The journey starts off frightfully dark and many people do not have the emotional fortitude to face the real demons But if you make the journey it is very rewarding to realize that we have at our disposal the means to create a remarkable world for the next generation if we so choose This book blends business management strategies leveraged by technology to address the inherent problems in governments Presented in a clear step by step manner that provides readers with a unique and fresh look at alternatives to our present system **Legal Deception, Propaganda, and Fraud, Form #05.014** Sovereignty Education and Defense Ministry (SEDM),2020-02-06 Rebuttal to the most popular IRS lie and deception Attach to response letters or legal pleading Disclaimer <https://sedm.org/disclaimer.htm> For reasons why NONE of our materials may legally be censored and violate NO Google policies see https://sedm.org/why_our_materials_cannot_legally_be_censored *Our Bravest Young Men, Vol. I* Corinne McConnell Brulé,2012-11-08 This is one volume of a two volume book This novel is a political statement set within a story in the Vietnam War The purpose of this book is to entertain to educate and to give a message about the Vietnam War The author has kept historical accuracy and realism to make this book meaningful Inspiration for writing this book came from the author's experience of living in America with the Vietnam War and from the author's recollections of Soldiers who were drafted and who fought in the war This book contains historic and well known quotations about war that have been used in the dialogue Some battlefield action has been added so the reader has a balance of action scenes and political discussions on the war **Cyberchiefs** Mathieu O'Neil,2009-03-20 People are inventing new ways of working together on the internet Decentralised production thrives on blogs wikis and free software projects Cyberchiefs focuses on the regulations of these working relationships It examines the transformation of leadership and expertise in online networks and the emergence of innovative forms of participatory politics What are the costs and benefits of alternatives to hierarchical organisation Using case studies of online projects or tribes such as the radical Primitivism archive Daily Kos the Debian free software project and Wikipedia this book shows that leaders must support maximum autonomy for participants and looks at the tensions generated by this distribution of authority *Manipulating the Message* Cecil Rosner,2023-10-31 Journalists hate the term fake news but there's a troubling reality

spin doctors routinely try to dupe them into reporting misleading and distorted stories Check the news on any given day and here s what you ll find Governments routinely lie Companies inflate claims about their products and practices Institutions release studies with misleading data meant to deceive Police departments infected by systemic racism downplay crimes against Indigenous and racialized people The public depends on the media to help them understand the world but are journalists catching all the daily lies omissions and distortions Shrinking newsrooms and an army of spin doctors mean journalists can get duped Despite valiant efforts by a handful of investigative journalists the truth is routinely left behind Award winning journalist Cecil Rosner insists there is something we can do about this We can pressure news organizations to stop blindly regurgitating the firehose of press releases and focus instead on determining what is actually true Rosner empowers readers by sharing his techniques for detecting misinformation and disinformation **Prophetic Justice**

Chandralyn A. Brown,2013-11-25 In this book Chandralyn A Brown combines the encouragement and creativity of poetry with the Holy Spirit filled discernment of End Time Bible Prophecy Bible Prophecy is unfolding right before our very eyes on the evening news This book provides understanding and makes the connection between the scriptures of the Holy Bible and the various events that are happening in the world today Ever wonder what fruit Adam and Eve ate that caused curses to enter the world What was the origin of religion Why has there been such an increase in the intensity and frequency of earthquakes hurricanes tornadoes and other natural disasters Or why can t Israel and the surrounding Muslim nations all just get along Were the gods of Greek Mythology really real Is Jesus really coming soon and how can we really be sure What is the meaning of 666 Prophetic Justice gives answers to all these questions and many more and justly interprets the Holy Scriptures The truth may hurt but it is absolutely necessary to hear The time we have left here on the Earth as we know it is very short The prophecies and judgments of Jesus Christ written in the Book of Revelation are both Just and True Only those who are found worshipping the Lord in Spirit and in Truth when Jesus returns will be counted worthy to escape
