The Beginner Writer Workbook Geetanjali Mukherjee, 2020-11-29 People often say I wish I had the time to write a book I wish I could take six months off to write or I don't have the discipline Many people want to write and have ideas they would like to express but are intimidated by the process by thinking that it is too hard or that they don't have the requisite talent or think they don't have enough time to fit writing into their already busy schedule If you would like to write a book but don't know how to start this book is for you I wrote this workbook to help you get from idea to complete manuscript Maybe in the past you have wanted to write but didn't know how so you put that idea aside Maybe you started but had several false starts Whatever the reason if you have always wanted to write a book but didn't think that you could do it or didn't know how to go about it this book will help you get from the blank page to a finished book In this book I cover the basics of writing a book whether it is non fiction or a novel from getting the initial idea to writing a first draft all the way to a finished book I also cover how to find time to write dealing with writer's block and editing I want to show you how to finally finish writing your book so that you can take your dream from I wish to I did

Blood Witch Gina Kincade, C.D. Gorri, 2023-10-31 Appetites increase when there's blood on the moon over Westwood Academy Will the hunted become the hunter before it's over Everyone thinks Mabe Marlow is a total freak when she is forced to skip classes due to her special condition Making friends for the first time in her life is rough but being alone is so much worse for the blood witch not to mention everyone else Her thirst for blood is growing and Mabe is caught between wanting to run away and learning to accept help When the Council of Covens sends an Enforcer to track down rumors of a witch using blood magic Mabe is forced to decide between a rock and a hard place She doesn't want to leave Westwood Academy but what choice does she have She can either go give herself up or risk the only friends she has ever had Can she prove she's not a threat to magic and get the rune marked Enforcer to back off Maybe But there's a catch Mabe might be more dangerous than any of them think Scars run deep for this solitary witch who's seen more than a woman her age ought to She's come too far to back down now but learning to trust others with her truth just might be the toughest lesson of all Welcome to Westwood Academy Forget what you know and let your magic run wild

Gorri,2024-01-09 The quest to save magic is nearing its end as deprivation sickness takes hold at Westwood Academy Will an unlikely hero be enough to save all witch kind Enid Morrigan has a lot to learn about who she is and what better place to do it than Westwood Academy Though new to the world of magic Enid has always been a little strange Seeing and hearing the dead is something she would not wish on her worst enemy but it has always been a part of her life Secret spells and wards surrounding Westwood have efficiently blocked off her gifts or curses as she always thought of them But what happens when her newfound friends need her to open up her powers Is she strong enough to face her demons in order to save all magic Good thing she is not alone With Rio Maia Tana Jade and Mabe on her side Enid and their mates track down a Lorekeeper who might be able to help Spiritwalker Judge Dusek is a trained guide helping magic users navigate their paths It doesn't hurt that he's sexy as sin but will his pushy blunt ways be too much for the soft spoken witch There's too much at stake for Enid to back down now Welcome to Westwood Academy Forget what you know and let your magic run wild The Official
