The Driver Watches: Obsession, Public Transport Suspense Romance KELAKKIYAR SIDDHAR, Through rain streaked glass and the hum of the city's streets a bus driver keeps his eyes on the road and on the people who step aboard Each passenger brings their own silence their own shadows and the stillness between them hides more than casual glances In the mirror above the driver's seat reflections do not always match reality Faces change Movements occur that no one makes And some figures only exist in the glass The route winds through bridges empty walkways and the damp corners of an industrial quarter where the air is thick with mist Familiar faces return day after day a young woman with a white scarf a man in grey a stranger in a brimmed hat None speak of what they see or what they sense watching them What begins as a routine commute slowly shifts into something unshakable The driver is drawn deeper into the quiet connections between his passengers finding patterns he cannot explain and presences that refuse to fade As the days blur together the bus becomes less a means of travel and more a stage for something unseen where every glance every pause and every shadow hints at a truth waiting to be revealed

Gray Eyes Burn: Older Man Romance KELAKKIYAR SIDDHAR, Gray Eyes Burn is a story about silences that speak louder than words and the unlooked-for connection between two people divided by years but drawn together by something deeper Emma restless and searching crosses paths with a man whose gray eyes seem carved from dusk itself steady unyielding yet hiding a weight he cannot voice Their meetings unfold in quiet corners of libraries gardens and rain-slicked streets where every glance and pause carries more truth than spoken sentences This is not a tale of instant answers or easy resolutions It is the story of a young woman who sees past the walls of a guarded heart and of a man who has long believed his ruins too great to be seen In the spaces between dusk and dawn their bond deepens measured in silences shared confessions half

spoken and the steady presence of two souls refusing to turn away Poetic and deeply human Gray Eyes Burn explores longing loss and the quiet strength of connection It is about finding meaning in fragments beauty in what endures and the courage to step closer even when shadows gather A romance of atmosphere and emotion it lingers long after the final page **Power in Pink: Feminist Fantasy Romance** KELAKKIYAR SIDDHAR, In the kingdom of Aramore power has always been cloaked in steel and crowned in gold until a quiet rebellion dares to rise in pink At the heart of it stands Elira a woman whose courage is stitched not with weapons but with vision When whispers of change spark in hidden courtyards and forgotten chambers she becomes the voice that transforms whispers into thunder What begins as a single banner sewn from scraps becomes a force impossible to ignore A sisterhood gathers warriors scholars healers and mothers each one lending their strength to the quilt of defiance Their unity shakes the palace walls drawing even those within the royal court into the tide of transformation Amidst the clash of tradition and renewal loyalty is tested and love is forged in the fire of resistance Every step forward carries risk every word spoken a chance for betrayal yet together they weave a future brighter than any crown Power in Pink is a sweeping feminist fantasy romance about voices rising against silence hearts defying fear and a kingdom learning that true power is not taken it is shared A tale of resilience unity and love that lingers long after the final page Night Owls Only: Contemporary Urban Romance KELAKKIYAR SIDDHAR, Emma never planned to become the last one left in the office each night but staying late became her quiet refuge It was in those hours when the building was nearly empty that she began to notice things she couldn't explain files moved when no one touched them a coffee mug sliding across her desk the faint sound of laughter from the copier room long after her coworkers had gone home The sixth floor was never truly silent Something lingered there And soon she wasn't alone A presence began to make itself known At first it was only small gestures then words clattering from an old typewriter no one had used in decades Emma should have been terrified yet instead she felt herself drawn closer The ghostly colleague who haunted the office wasn't cruel or cold he was attentive steady and strangely protective When shadows crept in from the vents and glass doors rattled with unseen hands his voice silent yet certain kept her grounded As the line between the living and the dead blurred Emma faced a choice cling to the world that was slipping away from her or step into a connection that defied everything she thought she understood about love safety and belonging Fielding for You: A Cricket Romance Novel KELAKKIYAR SIDDHAR, 2025-10-01 Under the golden glow of the city lights hearts collide and destinies intertwine in ways no one could predict Every glance carries a spark every touch leaves a lingering warmth and every whispered secret pulls two souls closer to the edge of a breathtaking revelation She moves through life with quiet strength yet behind her eyes hides a storm of unspoken dreams and fears He magnetic and untamed holds the world in his gaze daring to challenge the limits of love itself Their connection is a symphony of emotions passion longing vulnerability painting moments so vivid they feel almost tangible Time slows reality bends and in their fleeting encounters life becomes a tapestry of intensity laughter and heartache Emotions swell with each heartbeat as

the ordinary transforms into the extraordinary With every stolen glance and unguarded smile the story weaves a path through desire hope and the fragile beauty of trust It s a journey that tugs at the soul leaves a mark on the heart and lingers long after the final page is turned an experience that feels less like reading and more like living within a dream painted in the colors of raw unfiltered emotion *Down Dust Roads: A Rural Romantic Suspense* Kelakkiyar siddhar, On the edge of a quiet farming town the dust roads carry more than just the wind they carry secrets Luke Tanner never planned to return to his hometown but when a whispered rumor about corruption and betrayal pulls him back he finds himself walking a dangerous line between truth and survival Ella Hayes has spent her life keeping her family s land afloat her strength forged through loss and long days in the fields She knows the land the people and the shadows they cast When Luke appears at her door with evidence that could shatter the town s most powerful figures she s drawn into a fight she never asked for but one she can t walk away from As whispers turn to threats their fragile trust is tested against a backdrop of dusty roads golden fields and the ever present watch of those who stand to lose everything Every step forward risks exposing not only the truth but the feelings neither of them expected In a place where loyalty runs deep and silence is survival Luke and Ella must decide how much they re willing to risk and whether the dawn can ever be clean when the roads are built on dust
