Holy Yesterday Mythical Tomorrow Ricky Firman, 2025-02-01 From fiery sacrifices to viral memes the divine narrative of humanity has been anything but dull Holy Yesterday Mythical Tomorrow How Religions Become Myth is a bold darkly comedic exploration of the lifecycle of faith and a thought provoking follow up to Ricky Firman's acclaimed book Holy Olympics Religions War for Relevance and Dominance While Holy Olympics tackled the competitive struggle of religions to assert their dominance in a modern world this sequel shifts focus to the inevitable transformation of those same faiths into mythology In this latest work Ricky examines how gods are born from humanity's fears ignorance and creativity only to be retired to the realms of myth when time progress and logic outpace their relevance This book dissects the rise and fall of deities across civilizations from the grandeur of Zeus's thunderbolts to the eerie rituals of Mesoamerican gods and speculates how the gods worshipped today might fare in the distant future With biting wit and incisive commentary Ricky connects the sacred to the satirical revealing the absurdity of divine politics the commodification of faith and the endless human quest for meaning As humanity marches forward with science and technology as its new priests Holy Yesterday Mythical Tomorrow ponders the cosmic irony of how ancient beliefs persist in the age of information The book culminates in a speculative hilarious vision of what the gods of tomorrow might look like in a world ruled by AI aliens and billionaire messiahs Whether you're a skeptic a believer or something in between this book will provoke entertain and challenge your view of religion and its inevitable transformation into myth Because in the end the sacred and the absurd have always been partners in humanity's eternal cosmic joke

The Monstrous Mother: Unexpected Evil in Myth, Literature, and Popular Culture Anna Chiara Corradino, Alessandro Grilli, 2025-09-30 This edited volume delves into the unexpected intriguing depictions of monstrous mothers in different cultures literatures and the arts This wide ranging topic is explored through a variety of methodological approaches spanning disciplines from sociology to film studies and from comparative literature to cultural studies The scope of this collection is global highlighting the presence of maternal monstrosity not only in Western cultures but also in a number of other cultural contexts worldwide The book's international and interdisciplinary perspective makes it relevant to a broad and diverse readership focusing on literary criticism as well as cultural and gender studies

Liturgies

for Resisting Empire Kat Armas, 2025-11-04 A thought provoking look at the intertwining of religion and social control Publishers Weekly Explains what empire is in our modern day Gives practical spiritual guidance for resisting empire's daily influence Explores how early Christians navigated imperial pressures Unpacks how empire influences how we see ourselves and others Everyone wants to belong What does true belonging look like when the society you live in is not something you want to belong to In *Liturgies for Resisting Empire* Cuban American theologian and writer Kat Armas provides a roadmap for Christians seeking a countercultural way of living that prioritizes community and humanity over dominance and power Armas combines spiritual practices and biblical theology to help us create authentic belonging to God ourselves each other and creation She begins by examining how empire affects us daily through its pervasive ideologies and systems of control Drawing from decolonial and postcolonial biblical interpretation she explores how the New Testament church resisted Roman imperial power while building communities centered on God's kingdom values rather than worldly dominance This book offers hope for Christians struggling to live faithfully within systems of exploitation and oppression Armas provides practical spiritual disciplines community building strategies and theological frameworks that empower readers to resist empire's dehumanizing effects while cultivating spaces of authentic belonging and liberation Discover a spiritual way of life that you actually want to belong to one liturgy at a time

Digital Literary Creative Practice David Thomas Henry Wright, 2025-05-30 In 1985 Italo Calvino proposed six values he deemed crucial to literature as it moved into the next millennium lightness quickness crystal exactitude visibility multiplicity and consistency Using Italo Calvino's *Six Memos for the Next Millennium* as structure and methodology this book conjoins literary studies with creative practice to interrogate extend subvert and then reflect on the aesthetic and structural ambitions of multiple innovative print authors Italo Calvino Zadie Smith William Faulkner Virginia Woolf Bernardine Evaristo Roberto Bolaño Rachel Cusk Shahriar Mandanipour W G Sebald Ross Gibson Han Kang and J M Coetzee reimagined in new media in order to develop a model for digital literary practice led research This work contains four strands that are presented simultaneously First this monograph explores the rise of Calvino's values within the Calvino corpus Second this value's application to a contemporary literary predicament is explored through a digression Third conclusions from this interrogation are drawn as they relate to digital literary culture Finally the value's importance is demonstrated through examining reflecting on contemporary digital literary creative practice both the author's own and works created by contemporary writers artists who have engaged with the digital postmodern

The Routledge Handbook of Progressive Rock, Metal, and the Literary Imagination Chris Anderton, Lori Burns, 2025-02-26 This Handbook illustrates the many ways that progressive rock and metal music forge striking engagements with literary texts and themes The authors and their objects of analytic inquiry offer global and diverse perspectives on these genres and their literary connections from ancient times to the modern world from children's literature to epic poetry from mythology to science fiction and from esoteric fantasy to harsh political criticism The musical treatments

of these literary materials span the continents from South and North America through Europe and Asia The collection presents critical perspectives on the enduring and complex relationships between words and music as these are expressed in progressive rock and metal The book is aimed primarily at an academic market valuable for second through final year students on undergraduate courses devoted to both popular music and to literary studies and to postgraduate programs and researchers in a range of fields including popular music studies musicology creative music performance and composition songwriting literary studies narrative studies folklore studies science fiction studies cultural studies liberal studies and sociology and for media and history courses that have an interest in the intersection of narratives music and society
