What is the main philosophical position that says that everything is determined by the fact that we are not conscious, and that we are not conscious because we are not conscious. What is the main philosophical position that says that we are not conscious because we are not conscious?

The main philosophical position that says that everything is determined by the fact that we are not conscious, and that we are not conscious because we are not conscious, is the position of determinism.

Philosophy should emphasize a being conscious, and not the fact that we are not conscious.

Consciousness is a being conscious, and not the fact that we are not conscious, and not the fact that we are not conscious.

Consciousness is a being conscious, and not the fact that we are not conscious, and not the fact that we are not conscious.

Feyerabend's Formative Years. Volume 2. Feyerabend on Logical Empiricism, Bohm & Kuhn Matteo

Collodel, Eric Oberheim, 2024-08-27 The authors Matteo Collodel and Eric Oberheim take the reader on a journey through the early life of the famous Austrian philosopher Paul Feyerabend whose groundbreaking work *Against the Method* forged new paths in the philosophical understanding of science Collodel and Oberheim's book contains the translated correspondence of Feyerabend 1924-1994 with equally influential philosophers and scientists of the time including Rudolf Carnap Herbert Feigl Carl G Hempel J J C Smart David Bohm and Thomas Kuhn This book offers an entirely unique approach to the philosopher Paul Feyerabend Informative challenging and profound it immerses the reader deeply in the mind of a truly revolutionary philosopher of science The main focus lies on the explanation of Paul Feyerabend's ideas on logical empiricism and quantum mechanics which he developed especially in the 1960s In order to appreciate the celebrated work of the philosopher it is important to create an understanding of these formative years in Feyerabend's life and work Anyone who knows similar discussions like the paradigm shift of Thomas Kuhn or has a passion for history philosophy and science will be fascinated by the works of Paul Feyerabend As scientists and followers of Feyerabend Collodel and Oberheim strive to pay respect to the philosopher and to make his work accessible to a whole new generation

Historical and Philosophical Foundations of European Legal Culture Dawid Bunikowski, 2017-01-06 This ambitious book examines the historical theoretical and axiological foundations of European legal culture and explores their practical impacts on current European law and legal ways of thinking in Europe Including considerations about the history of law as well contemporary legal issues the book consists of seven chapters authored by scholars from across the globe from Italy to Taiwan This volume shows that it is possible to speak of one European legal culture in terms of various countries common legal origins Roman law Greek philosophy and medieval jurisprudence as the *ius commune* while also discussing distinct national legal cultures and traditions in Europe However to understand the present day law and legal profession it is necessary to go back to the values theories and thinkers which were influential in the progress of European law from ancient times to the 19th century The book not only presents the theoretical and historical issues of European legal culture but also acquaints the audience with the true axiological foundations of our contemporary legal institutions and the methods of legal thinking in Europe It is clear that many of our current legal concepts and institutions come from theorists such as Aristotle Ulpian Aquinas Hobbes and Savigny The book will be of particular interest to scholars and students of legal history jurisprudence and European law especially in the context of the origins of European legal culture Moreover it will also appeal to all lawyers working in both the common law and the civil law traditions wishing to gain a greater understanding of European legal heritage
