The Heresy of Ham, Revised Edition Joel Edmund Anderson, 2024-11-07 One of the most controversial issues in our society today especially within Evangelicalism is that of the creation evolution debate Over the past few decades Fundamentalist apologists like Ken Ham of the young earth creationist organization Answers in Genesis have made a career convincing people that the age of the Earth and the historicity of Genesis 1:11 are not just bedrock fundamental tenets of the Christian faith but are also crucial fronts in the culture war In *The Heresy of Ham* Joel Edmund Anderson convincingly shows that not only are the YECist claims of Ken Ham unbiblical and unscientific but they have sowed the seeds of strife and division within countless Christian communities He should know he lost his job as a biblical worldview teacher at a small Evangelical school over the issue of YECism Anderson's ultimate message is simple regardless of your position regarding evolution or the interpretation of Genesis 1:11 they are not

fundamental to the Christian faith and should not be used as battlefronts in the culture war If you have always had questions about the creation evolution debate the claims of YECism and the way Genesis 1 11 should be interpreted The Heresy of Ham is a tremendous resource for anyone struggling coming to grips with these issues **The Answer Book** Nancy Ruth,2015-02-18 The Answer Book A Devotional for Busy Families recognizes that todays families keep hectic schedules often leaving mere scraps of time for asking and answering spiritual questions Nancy Ruth brings years of experience in childrens ministry and a masters degree in theology to bear in crafting a seven week set of daily devotions that offers families assistance in exploring how to live as Christians Adults who sometimes find children challenging them with hard questions about the Christian life will find The Answer Book enables them to ask those questions as a family to listen to Gods Word and to discover its answers Each weekly section addresses a major topic including truth the reasons for spending time with God the identity of Jesus and family discipleship Each daily devotion shares a brief reflection suggests a Bible reading presents an On the Road challenge to the family and calls for a Weapon Check in which one memorizes key scriptural passages As you spend time around your children you may wonder what drives them to ask endlessly Why The Answer Book A Devotional for Busy Families gives you a structured yet flexible way to turn small blocks of time into moments for taking seriously their deep and heartfelt questions By spending some time together as a family with these questions and with the message God reveals in the Scriptures you will grow together to trust God more fully to build your lives on a strong foundation and to be prepared for lifes coming challenges **The New Answers Book 1** Ken Ham,2007-01-15 Christians live in a culture with more questions than ever questions that affect one s acceptance of the Bible as authoritative and trustworthy Now discover easy to understand answers that reach core truths of the Christian faith and apply the biblical worldview to a wide variety of subjects

soon they will be gone for good This is the alarming conclusion from a study Answers in Genesis commissioned from America s Research Group led by respected researcher Britt Beemer The results may unnerve you they may shake long held assumptions to the core but these results need to be taken seriously by the church Already Gone reveals Why America s churches have lost an entire generation of believers The views of 1 000 twenty somethings solidly raised in the church but no longer attending and their reasons why Relevant statistical data effectively teamed with powerful apologetics The study found that we are losing our kids in elementary middle school and high school rather than college and the Sunday school syndrome is contributing to the epidemic rather than helping alleviate it This is an alarming wake up call for the church showing how our programs and our approaches to Christian education are failing and our children are paying the price Though the statistics reveal a huge disconnect taking place between our children and their church experience Already Gone shows how to fight back for our families our churches and our world We can make a difference today that will affect the statistics of tomorrow in a positive and Christ focused way *A Brief Guide to Philo* Kenneth Schenck,2005-01-01 This is a compact introduction to the work of Philo c 20 BCE 50 CE the important Jewish thinker and scriptural interpreter Kenneth Schenck provides a guide for understanding Philo s complex works a roadmap for topics and contents of Philo s writings and a description of contemporary research so students can easily find their ways into Philo study **Answers Book for Teens, Volume 2** Bodie Hodge,Tommy Mitchell,2012-07-10 Our youth are on the front lines of a war of the worldviews To help them cement a biblical worldview the experts at Answers in Genesis offer the Answers Books for Teens volumes 1 and 2 Answers to 15 questions about abortion evolution creation the Bible and more are paired with dynamic designs created to appeal to today s student A great study for youth ministries small groups and family devotions **Supplement Philo** (of Alexandria.),Ralph Marcus,1953 **The Bible Answer Book** Hank Hanegraaff,2004-02-25 Hank Hanegraaff has heard it all He knows what questions plague believers and nonbelievers And he s done something about it he s spelled out the answers The Bible Answer Book is a simple guide covering 80 of the top questions that the Bible Answer Man has dealt with in his ministry Topics include parents and kids religions difficulty faith fear sin salvation and many more issues vital to understanding the path to better understanding God Each question is approached in Hanegraaff s scholarly easy to understand style and he even suggests additional sources for readers who want to explore the topics further *QUESTIONS AND ANSWERS FROM THE BIBLE* Robert Gobelet,2016-05-03 Do you have a question about God Jesus the Bible or theology Do you need help understanding a Bible verse or passage Are there any spiritual issues in your life for which you need advice or counsel Then this book is designed for YOU With 100s of Questions and Answers Robert Gobelet details simple and yet deeply profound explanations of the Bible that can help transform your life and lead you to a deeper relationship with Christ God Bless you on your Spiritual Journey *Questions and Answers on Genesis I-III* Herman Hoeksema,197? *The Lie* Ken Ham,2012-10-15 Today Christians and those considering the Christian faith increasingly doubt the Bible s reliability Why

What changed Revised Expanded for this special 25th anniversary edition Ken Ham points out the looming precipice too many church leaders are rushing towards a denial of the full authority and accuracy of the Bible from its very first verse In addition Ken powerfully shows how the unproven unscientific philosophy of evolution is driving young people away from the Christian faith and provides solid biblical solutions to turn things around The Lie uncovers Why Genesis remains critically important in presenting the Gospel This slippery slope of reinterpreting Scripture and redefining biblical doctrine How the handling of the biblical account of creation impacts your understanding of all of Scripture and your worldview The collapsing structure of Christianity as Genesis is questioned compromised and dismissed The religion of evolution The authority of God's Word versus man's fallible word Genesis as the foundation for all biblical doctrine Evolutionary ideas are actually destructive to the foundational message of the Cross of Jesus Christ Evolution is used to justify social issues such as abortion communism drug abuse homosexual practices and worse The successful use of creation evangelism to present the whole gospel message These issues are of critical importance when you realize that today we have Christians questioning Genesis the age of the earth the reality of Hell Adam as a real person and Christ's own words about creation marriage and more One compromise just leads to another and it has to end if we want to leave a legacy of faith to future generations Churches individuals and Bible colleges are using this Christian apologetic resource to strengthen their faith families and sharing of the whole gospel of Jesus Christ

God's People, God's Plan Harold Lerch, 2018-02-01 The Bible is the infallible word of God It is reliable The creation account and historicity are supported by science not disproven Is the promise of the Messiah false hope How can peace come to the Middle East

A Christian Student's Guide to Truth in Science Stanley J. O'Briant, 2015-03-13 This book exposes the attempt to teach atheistic evolution to students often ridiculing their faith in God The classrooms in our schools have become the battlegrounds for the minds of our children Since the introduction of evolution by Charles Darwin there has been a growing list of atheist professors who vigorously fight any religion The classrooms of America should not be the battlegrounds of any religion but evolution is a religion It has no place in the classroom since it does not offer any information that improves the teaching of any science class except evolution itself There is no proof of evolution only assertions innuendos credulity belief without proof and suppositions Fully one third of all geology textbooks deal with evolution which is founded only opinion and undocumented assertions Therefore it should be removed from all textbooks Dr David Menton who taught medicine at the Washington School of Medicine in St Louis Missouri for twenty five years stated that he never once needed to reference evolution in any medical class A coalition of organizations such as the National Academy of Sciences whose members are 93% atheist or agnostic and the National Center for Science and Education control most of the government grants intended for schools use fully support the atheism of evolution and they attack any criticism of evolution

Starlight and Time Dr. Russel Humphreys, 1994-01-01 The Bible says the universe is just thousands of years old and yet we can see stars that are billions of light years away Until now creation scientists have

not had a satisfactory answer to this puzzle but the new cosmology outlined in this book offers a fresh and scientifically sound solution Though he challenges some traditional creationist theories Dr Humphreys takes Scripture very straightforwardly upholding its inerrancy and the idea of a young universe as he explains days one through four of creation week This book not only contains an easy to read popular summary of this new cosmology but also two technical papers which were very well received at the Third International Conference on Creationism In this enlightening book Dr Humphreys answers questions such as How do you explain distant starlight in a young universe How should a creationist answer the challenges that arise when faced with traditional cosmology Doesn t distant starlight prove evolution **Evidences for God and His Creations: Nature, the Flood, and the Bible** Dr. T. J. Tofflemire, 2011-07-21 This book provides summary apologetics from about 200 references It is unique in that many authors with differing viewpoints are put together in brief key point summaries Some of the books covered are 1100 pages long The original authors views are briefly integrated and compared The different views of creation are also discussed and compared and given a open minded weighing Are you concerned about the fact that 70% of our youth no longer attend church and do not have a biblical world view The naturalistic or humanistic world view they adopt from schooling favors the following 1 Man evolved from primates and is a biological machine with no purpose 2 There is no source of true morals and thus morals are relative and determined by whatever a given group decides or whatever is most popular 3 Since man is only an animal there is no basis for individual human rights only rights for the masses There are some good arguments provided in the book to counter all of this and provide a biblical world view These arguments are brief and easy to share in witnessing situations
