Questions and Answers

Can you describe a time when you provided excellent customer service?

Answer: In my previous role at a retail store, a customer came in looking for a specific item that was out of stock. I took the initiative to check other nearby store locations and found it at a store 10 miles away. I offered to have it transferred to our location or have it shipped directly to the customer's home at no additional cost. The customer was very appreciative and praised the effort I took to ensure they received the product they wanted. This experience reinforced the importance of going the extra mile to satisfy customers.
