one episode to the next This collection of new essays examines the complex characters in Orange Is the New Black Homeland Key Peele Oz Empire Breaking Bad House and Buffy the Vampire Slayer **Guide to the Performing Arts**, 1960

Leonard Maltin's Movie Guide Leonard Maltin, 2017-11-28 Previously published as Leonard Maltin's 2015 Movie Guide this capstone edition includes a new Introduction by the author Note No new reviews have been added to this edition Now that streaming services like Netflix and Hulu can deliver thousands of movies at the touch of a button the only question is What should I watch Summer blockbusters and independent sleepers the masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Woody Allen animated classics from Walt Disney and Pixar the finest foreign films ever made This capstone edition covers the modern era while including all the great older films you can't afford to miss and those you can from box office smashes to cult classics to forgotten gems to forgettable bombs listed alphabetically and complete with all the essential information you could ask for With nearly 16 000 entries and more than 13 000 DVD listings Leonard Maltin's Movie Guide remains head and shoulders above the rest The New York Times Also included are a list of mail order and online sources for buying and renting DVDs and videos official motion picture code ratings from G to NC 17 and Leonard's list of recommended films Sid and Marty Krofft Hal Erickson, 2015-03-13 H R Pufnstuf Lidsville Sigmund and the Sea Monsters Land of the Lost For a generation of children growing up in the late sixties and early seventies these were some of the most memorable shows on Saturday morning television At a time when television cartoons had lost some of their luster two puppeteers named Sid and Marty Krofft put together a series of shows that captivated children Using colorful sets and mysterious lands full of characters that had boundless energy the Kroffts created a new form of children's television rooted in the medium's earliest shows but nevertheless original in its concept This work first provides a history of the Kroffts pretelevision career then offers discussions of their 11 Saturday morning shows Complete cast and credit information is enhanced by interviews with many of the actors and actresses behind the scenes information print reviews of the series and plot listings of the individual episodes The H R Pufnstuf feature film the brothers' other television work and their short lived indoor theme park are also detailed Oprah Winfrey Marianne Ruuth, 1996 A biography of the entertainer and TV personality who is perhaps the most famous woman in America and without doubt the most famous black woman A volume in the Melrose Square Black American Series **Measuring Up** Vickie Rutledge Shields, 2013-03-01 The mute gestures of advertising images are frozen for posterity by photographers and illustrators gestures that for better or worse perpetuate a certain aesthetic and eventually become emblematic of a period The images of today display the values of a society that has more interest in the body than the mind They are technoenhanced labyrinths of unattainable appearances that leave women and men feeling horrified estranged and restricted by unrealistic silent mandates Measuring Up looks at advertising as more than just a way to extract money from unsuspecting people but as a vehicle for conveying the larger views of a confining body obsessed culture By weaving theoretical and textual insights from

feminist and cultural studies with the voices of real women and men *Measuring Up* offers a unique reception analysis of the effects of repetitious exposure to advertisements of perfect bodies in our everyday lives Shields examines a particular complex relationship between the idealized images of gender we see in advertising and our own thoughts feelings and behavior in relation to these images The study is unique in presenting audience reception in terms of ethnographic data not textual interpretations alone *Measuring Up* engages with and informs current theoretical debates within these sometimes complementary and sometimes contradictory literatures feminist media studies feminist film theory critical social theory cultural studies and critical ethnography This is an important work that explores the forms and channels of power used in one of the most insidious and overt means of mass influence in popular culture Television Variety Shows David M.

Inman,2014-12-03 For the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called Hour Glass It was the first TV program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor Chase and Sanborn coffee Within two years another variety show Texaco Star Theatre became the first true television hit and would be credited with the sales of thousands of television sets The variety show formula was a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio Most of the early television stars including Jackie Gleason Milton Berle Sid Caesar Ed Sullivan Red Skelton Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows In the 1960s major stars such as Jerry Lewis Dean Martin Judy Garland and Danny Kaye were hosting variety shows By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species This book details 57 variety shows from the 1940s through the 1990s A history of each show is first provided followed by a brief look at each episode Air date guest stars sketches performed and a listing of songs featured are included **British and Irish Paintings in Public**

Collections Christopher Wright,Catherine May Gordon,2006-01-01 This book sets a new standard as a work of reference It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9 000 painters and 90 000 paintings in more than 1 700 separate collections The book includes as well pictures that are now lost some as a consequence of the Second World War and others because of de accessioning mostly from 1950 to about 1975 when Victorian art was out of fashion By listing many tens of thousands of previously unpublished works including around 13 000 which do not yet have any form of attribution this book becomes a unique and indispensable work of reference one that will transform the study of British and Irish painting **Academy, with which are**
