Letters and Documents Søren Kierkegaard, 1978 This volume provides the first English translation of all the known correspondence to and from Søren Kierkegaard including a number of his letters in draft form and papers pertaining to his life and death These fascinating documents offer new access to the character and lifework of the gifted philosopher theologian and psychologist Kierkegaard speaks often and openly about his desire to correspond and the resulting desire to write for a greater audience He consciously recognizes letter writing as an opportunity to practice composition Unlike most correspondence Kierkegaard's letters expressly do not require a reply he insists on this as a principle while he clearly and earnestly yearns for a response to his efforts Among his other principles are purposefulness directness and the equality of a letter to a visit with a friend Kierkegaard preferred the former to the latter Perhaps more than anything else in print Kierkegaard's *Letters and Documents* reveal his love affair with the written word *Memoirs*,

Thomas Moore, 1853 Letters and Papers from Prison Dietrich Bonhoeffer, Isabel Best, John W. de Gruchy, Lisa E.

Dahill, 2010-06-01 Despite Dietrich Bonhoeffer's earlier theological achievements and writings it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945 The materials gathered and selected by his friend Eberhard Bethge in *Letters and Papers from Prison* not only brought Bonhoeffer to a wide and appreciative readership especially in North America they also introduced to a broad readership his novel and exciting ideas of religionless Christianity his open and honest theological appraisal of Christian doctrines and his sturdy if sorely tried faith in face of uncertainty and doubt This splendid volume in many ways the capstone of the Dietrich Bonhoeffer Works is the first unabridged collection of Bonhoeffer's 1943-1945 prison letters and theological writings Here are over 200 documents that include extensive correspondence with his family and Eberhard Bethge much of it in English for the first time as well as his theological notes and his prison poems The volume offers an illuminating introduction by editor John de Gruchy and an historical Afterword by the editors of the original German volume Christian Gremmels Eberhard Bethge and Renate Bethge

Dobbins, 2004-09-30 Eshinni 1182-1268 a Buddhist nun and the wife of Shinran 1173-1262 the celebrated founder of the True Pure Land or Shin school of Buddhism was largely unknown until the discovery of a collection of her letters in 1921 In this study James C Dobbins a leading scholar of Pure Land Buddhism has made creative use of these letters to shed new light on life and religion in medieval Japan He provides a complete translation of the letters and an explication of them that reveals the character and flavor of early Shin Buddhism Readers will come away with a new perspective on Pure Land scholarship and a vivid image of Eshinni and the world in which she lived After situating the ideas and practices of Pure Land Buddhism in the context of the actual living conditions of thirteenth century Japan Dobbins examines the portrayal of women in Pure Land Buddhism the great range of lifestyles found among medieval women and nuns and how they constructed a meaningful religious life amid negative stereotypes He goes on to analyze aspects of medieval religion that have been omitted in our modern day account of Pure Land and tries to reconstruct the religious assumptions of Eshinni and Shinran in their own day A prevailing theme that runs throughout the book is the need to look beyond idealized images of Buddhism found in doctrine to discover the religion as it was lived and practiced Scholars and students of Buddhism Japanese history women's studies and religious studies will find much in this engaging work that is thought provoking and insightful **The Republic of Letters** Mrs. A. vice admiral ... Nelson, with notes by sir N.H. Nicolas Horatio Nelson (1st visct.), 1846 **The Scarlett Letters** John Wiley, 2014-10-08 One month after her novel *Gone With the Wind* was published Margaret Mitchell sold the movie rights for fifty thousand dollars Fearful of what the studio might do to her story I wouldn't put it beyond Hollywood to have Scarlett seduce General Sherman she joked the author washed her hands of involvement with the film However driven by a maternal

interest in her literary firstborn and compelled by her Southern manners to answer every fan letter she received Mitchell was unable to stay aloof for long In this collection of her letters about the 1939 motion picture classic readers have a front row seat as the author watches the Dream Factory at work learning the ins and outs of filmmaking and discovering the peculiarities of a movie crazed public Her ability to weave a story so evident in *Gone With the Wind* makes for delightful reading in her correspondence with a who's who of Hollywood from producer David O Selznick director George Cukor and screenwriter Sidney Howard to cast members Clark Gable Vivien Leigh Leslie Howard Olivia de Havilland and Hattie McDaniel Mitchell also wrote to thousands of others aspiring actresses eager to play Scarlett O'Hara fellow Southerners hopeful of seeing their homes or their grandmother's dress used in the film rabid movie fans determined that their favorite star be cast and creators of songs dolls and Scarlett panties who were convinced the author was their ticket to fame and fortune During the film's production she corrected erring journalists and the producer's over the top publicist who fed the gossip mills accuracy be damned Once the movie finished she struggled to deal with friends and strangers alike who fought and trampled little children and connived and broke the ties of lifelong friendship to get tickets to the premiere But through it all she retained her sense of humor Recounting an acquaintance's denial of the rumor that the author herself was going to play Scarlett Mitchell noted he ungallantly stated that I was something like fifty years too old for the part After receiving numerous letters and phone calls from the studio about Belle Watling's accent the author related her father was convulsed at the idea of someone telephoning from New York to discover how the madam of a Confederate bordello talked And in a chatty letter to Gable after the premiere Mitchell coyly admitted being feminine enough to be quite charmed by his statement to the press that she was fascinating but added Even my best friends look at me in a speculative way probably wondering what they overlooked that your sharp eyes saw As *Gone With the Wind* marks its seventy fifth anniversary on the silver screen these letters edited by Mitchell historian John Wiley Jr offer a fresh look at the most popular motion picture of all time through the eyes of the woman who gave birth to Scarlett

and Denise Levertov Robert Edward Duncan, Robert J. Bertholf, Albert Gelpi, 2004 This volume presents the complete correspondence between two of the most important and influential American poets of the postwar period The almost 500 letters range widely over the poetry scene and the issues that made the period so lively and productive But what gives the exchange its special personal and literary resonance is the sense of spiritual affinity and shared conviction about the power of the visionary imagination Duncan and Levertov explore these matters in rich detail until under the stress of dealing with the Vietnam War in poetry they discover deep seated differences in the religious and ethical convictions underlying their politics and poetic stance The issues that drew them together and those that drove them apart create a powerful personal drama with far reaching historical and cultural significance The editors have provided a critical Introduction full notes a chronology and a glossary of names The Life of F. Biographies showcases the prolific output of one of the Victorian era's most innovative poets and playwrights. His unique use of dramatic monologue and richly textured verse invites readers into the motivations and psyches of his characters, reflecting broader themes of human experience, morality, and existential inquiry. This collection not only encompasses his celebrated poetry like *My Last Duchess* and *The Pied Piper of Hamelin* but also includes his theatrical works and personal letters, offering a comprehensive perspective on Browning's artistic evolution and philosophical musings against the backdrop of 19th-century England. Browning, who began his literary career amidst the Romantic tradition, was deeply influenced by his personal experiences, including his tumultuous relationship with fellow poet Elizabeth Barrett Browning. His exploration of psychological complexity and his engagement with social issues stem from a desire to probe the human condition, which was particularly urgent during the tumultuous Victorian period marked by rapid change and moral questioning. Browning's works reflect his intrigue with the interplay between the self and society, making his writings a fertile ground for literary analysis. This compilation is invaluable for both scholars and casual readers alike, providing insight into Browning's layered artistry and vibrant voice. With its accessible arrangement, this collection invites a re-examination of Browning's contributions to poetry and drama, making it a vital addition to the library of anyone interested in Victorian literature and the evolution of poetic form.
