All She Wants Christmas English Edition:

All She Wants for Christmas Stacy Connelly, 2008-12-01 Holly Bainbridge had a simple wish this Christmas to find a way to keep Hopewell House open for business The former foster child knew how it felt to be without a family and was determined to make this a holiday the kids would never forget Until handsome hard hearted businessman Clay Forrester stole her Santa Playing jolly St Nick was the best way Clay knew to make it up to Holly And once he donned the red cap and white beard a transformation took place and all he could think about was being with her But could he convince Holly that this was indeed a season of second chances All she had to do was believe

All She Wants For Christmas Annie Claydon, 2014-12-15 The tinsel is up and Christmas party invites are flooding in And this year hearing therapist Beth Travers has made a few secret Christmas wishes 1 Wonder how new heart surgeon Matt Sutherland would feel about being gift wrapped He s definitely on my present list 2 Helping Matt and little son Jack with their Christmas tree reminds me how much I d love a family of my own to decorate one with 3 Dare I dream about a stolen kiss under the mistletoe at the Christmas party Are three Christmas wishes allowed Well I m crossing my fingers and hoping so

I Can't Fall In Love (English Edition) Renée Conte, 2025-08-21 Five years had passed since Andrea and Beatrice had last seen each other in person and if it hadn t been for that incomplete message she had sent him by mistake they probably wouldn t have met again The two young people had met when they were still children during their summer holidays on the beach at Follonica A sincere and innocent friendship was immediately born between them which grew stronger every summer until as teenagers they realized that that friendship had turned into a tender infatuation especially on Andrea s part But their beautiful friendship did not continue due to the break off of the engagement between Beatrice s mother and her partner who no longer allowed her to return to Follonica Although Beatrice and Andrea both lived in Milan they never had the chance to meet During the year Andrea he used to study in Switzerland in the summer he spent his holidays in Follonica Then once he graduated from high school he moved to New York to continue his studies A distance that is difficult to bridge Then even their phone calls which were frequent at first became increasingly rare over time until they stopped altogether Therefore that delicate feeling that had united them as teenagers seemed destined to remain only a beautiful memory At the age of 19 and having put aside her crush on Andrea unlike her peers Beatrice still didn t have a boyfriend and was not interested in having one She preferred to avoid sentimental complications so as not to be conditioned by the expectations and decisions of others She had goals to achieve before she could fall in love first of all her studies then her career and last but not least her independence Beatrice knew the pain her mother had suffered for always putting love first She didn t want to make the same mistake But in love there are no rules it is practically impossible to choose when and with whom to fall in love because love is an instinctive feeling that arises when you least expect it that absorbs you body and soul that makes you do stupid things even and you cannot love or not love on command to avoid them Despite her stubbornness Beatrice s intentions are shattered when after

receiving that message Andrea asks to see her again It takes little to awaken in the boy the strong feeling he had felt years before for his young friend at the same time Giorgio Beatrice s lifelong friend also declares to her that he feels something that goes far beyond mere friendship However she is not ready to start a romantic relationship neither with Andrea nor with Giorgio for whom she nevertheless feels a deep affection In order not to disappoint either of them and not to make any decisions about their statements she is convinced that she will be able to manage the friendship of both of them Without emotional involvement but it is only an illusion and the sentimental complications she so badly wanted to avoid will come crashing down on her without her realising it With love also comes jealousy which will make her make bad decisions And it is from that moment that things really start to get complicated
