Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that analyses the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and has gained a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror and charts the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 1960s through to the slick releases of the 2000s *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but also acts as a truly entertaining guide with which to explore the less well trodden paths of horror and rediscover the classics with a newly instructed eye

Salomon,2008-07-01 Desperate Storytelling demonstrates how writers from Byron to Saul Bellow have embraced Cervantes s vision of the artist as creative exile born to tell tales of valor and nobility yet doomed to recognize the world s banal reality Forced to portray adventure in a reductive voice these writers have immersed heroism in madness and narrative in mockery Their fictions reflect an awareness of life s absurdities yet a refusal to forsake the ideal Reassessing the post Romantic literary consciousness Roger B Salomon explores the many permutations of the mock heroic mode the complex aesthetic instrument brought into being by Cervantes one by which a writer takes on a dual role as both nostalgic creator and ironic critic The mock hero is almost by definition an outdated one aligning his deepest emotional attachments to dead mythologies and forgotten codes of ethics he is an alienated figure in a landscape hostile to the possibility of any kind of attainment Just as Don Quixote s noble madness in an ignoble age invites both sympathy and derision so later incarnations of the mock hero immerse the reader in a dialogue between the real and a faded ideal between the sensible and the admirable Describing a literary mode that joins heroic endeavor with its deflating results Desperate Storytelling traces the adventures of literature s misplaced heroes from Nabokov s Berlin to Saul Bellow s Chicago from James Joyce s Dublin to Mark Twain s Mississippi
