Alive Crave By Megan D Martin:

Alive Megan Martin, 2013-11-14 Flesh eating zombies dirty sex and a shattered past What's more dangerous the man who broke her heart or those trying to eat it Fighting to survive Eve finds herself alone in the world after the Crave the only parallel of her former life On the hunt for her sister she runs into Gage the first and only boy to have her heart and break it It's been four years and he isn't a boy anymore nor is he the same person he used to be Against her better judgment Eve agrees to stay with him when he divulges information on a safe haven near the small town they grew up in but that doesn't mean she has to like it Returning home elicits a myriad of emotions that both Eve and Gage thought they had buried The past and present collide and they are forced to face bitter deceits that ruined them in the before and threaten to destroy them now
