The English Version of the Polyglott Bible ,1828 *The English Version of the Polyglott Bible Containing the Old and New Testaments* Martin,1828 The English Version of the Polyglott Bible, Etc ,1840 **The English Version of the Polyglott Bible ... With a ... Selection of References to Parallel and Illustrative Passages, Etc. [The Preface Signed: T. C., I.e. Thomas Chevalier.]** ,1816 Modern Culture from a Comparative Perspective Wilfred Cantwell Smith,1997-01-01 As an historian of religion Wilfred Cantwell Smith has investigated the way religious traditions define themselves the nature of faith over the centuries and the scriptures that have offered anticipations of eternity In this book he turns to modern culture and finds that its past has been defined not only by traditions that are normally called religious but also by the disciplined quest for Truth Philosophia as this tradition may be called draws its heritage from Greece and has inspired scholarship throughout the ages However the ideal of objectivity which has come to define the standard for this tradition has had unfortunate results The human encounter with transcendence which overwhelms all existence has been considered as no more than a peculiarity of the human alone to be categorized and separated from other aspects of life The result is a dehumanized view of truth which all too often evokes fundamentalist reactions Smith concludes with a call to rediscover the dimension of transcendence Objectivity means more than reducing the human to the calculable To treat people as they are in themselves is to understand them as subjects to treat all aspects of their existence as worthy of respect and study and to grasp what it means to be captured by a reality that overwhelms the confines of our limited world *The Authorized Version of the Old Testament Scriptures Harmonized, Classified, Revised.
