Mobile communication is hot, and so is marketing on mobile devices. *Mobile Marketing For Dummies* provides a clear and easy path for creating, launching, and making the most of a mobile marketing program. Designed for marketing professionals and other business people who may have little experience with the medium, it explains mobile marketing and how to convert a traditional marketing plan to mobile. Topics include assembling resources and budget, creating a plan following best practices, building mobile sites, and much more. Explains what mobile marketing is, how you can adapt a traditional marketing plan for mobile, and how to create and launch a mobile marketing plan from scratch. Covers activating a plan using voice, text, e-mail, and social media campaigns. Explores the nuts and bolts of building mobile sites, apps, monetizing mobile, and advertising on other mobile properties. *Mobile Marketing For Dummies* gives you the tools to succeed in this exciting environment.

Research Anthology on Strategies for Using Social Media as a Service and Tool in Business Management Association, Information Resources, 2021-05-28 Social media has become an integral part of society as social networking has become a main form of communication and human interaction. To stay relevant, businesses have adopted social media tactics to interact with consumers, conduct business, and remain competitive. Social technologies have reached a vital point in the business world, being essential in strategic decision-making processes, building relationships with consumers, marketing and branding efforts, and other important areas. While social media continues to gain importance in modern society, it is essential to determine how it functions in contemporary business.

The Research Anthology on Strategies for Using Social Media as a Service and Tool in Business provides updated information on how businesses are strategically using social media and explores the role of social media in keeping businesses competitive in the global economy. The chapters will discuss how social tools work, what services businesses are utilizing, both the benefits and challenges to how social media is changing the modern business atmosphere, and more. This book is essential for researchers, instructors, social media managers, business managers, students, executives, practitioners, industry professionals, social media analysts, and all audiences interested in how social media is being used in modern businesses as both a service and integral tool.

All Thumbs Michael Dru Kelley, 2014-08-05 With mobile devices being in our hands virtually 24/7 and now reaching a penetration rate covering the vast majority of adult Americans and nearly half of the world's population, businesses of all sizes must be prepared for the world of mobile marketing. Marketers need to create a mobile experience that is easily activated with the press of a thumb and that allows consumers to take action directly. Right now, 80% of mobile marketing is just plain bad: either it doesn't work and has a high abandon rate, or it doesn't fit into a brand's overall strategy. Michael Kelley is going to change all that. With his experience running top brand mobile campaigns, this book will show business owners, marketers, and advertising managers how to develop a campaign that gets results. *All Thumbs* provides a very simple yet practical guide to help companies ranging from small Mom and Pop shops to multinational corporations to build multi-level campaign-driven mobile brand experiences designed for maximum effectiveness while at the same time providing a strategic overview of how mobile marketing fits into an overall brand and media campaign.
