Phaziz of Life Tirzah Steele Simmons, 2010-03 Have you ever wondered as a child where you wanted to be at a certain age or have you ever said By the time I reach a certain age I m going to do this or I m going to do that We ll some of us never really focus on where we re going until we hit bumps in the roads of life I literally mean bumps which implies more than one bump and many roads As a way of cautioning some who have somehow moved ahead of God or those whom are walking with people that really don t know where they are going this book is an avenue to encourage you to hold on to your dreams so you can encourage someone else to believe that they too can do all things through and with Christ who strengthens you I decided to write Phaziz of Life as a testimonial to help those of you who are not focused on the now but somehow are living in the past as well as those of you who need a boost to get to where you need to be and in some cases get where you re not In the Future the now The bible teaches us that we are overcome by the words of our testimony according to Revelation 12:11 Therefore no matter what your past is you are able to make it through as well as overcome every obstacle I John 4:4 Ye are of God little children and have overcome them because greater is he that is in you than he that is in the world So as I endeavor to testify the messages within Phaziz of Life which are many but your first message is your future is now and Now is where you need to live Remembering most importantly You are the Key to someone else s Blessings Tirzah Steele Simmons
