Ok... Here's the Deal James W. Patterson,2012-01-10 Why should the Truth be scary Except that we have been deceived by stories that are not true Before it s too late to find out what s happening read on At least discover the following 1 Reincarnation is true 2 The Law of Karma applies to everyone 3 There is a Purpose for Life 4 Your Soul cannot be harmed 5 The life you are living is the life you designed 6 There really are Hells and Heavens 7 Prophecies are true but misunderstood regarding December 21 2012 8 And the end is coming but it s the end of the Iron Age of Man and not everyone will die or leave the Earth in the geophysical events coming our way What if the Bible prophecies were true but a wee bit distorted What if the Mayan prophecies the Hopi prophecies the Bible prophecies and those of others throughout history were speaking of the same series of events And what if what s coming happened before Do you know the reason the world has become so negative The reason is that we are in the latter stages of the Iron Age of Man And this is about to end in about 330 days On December 21 2012 is when the new Golden Age of Man begins But what does this mean For some it s actually quite positive If you have the proper resonance no problem according to the Mayan elder Don Oxiaj If not then you probably need to read this book Docjp *Investigation of Improper Activities in the Labor Or Management Field* United States.
