Blue Notes Robert P. Vande Kappelle, 2011-04-07 Music like romance is the language of the soul Music allows us to express ourselves and in so doing makes us feel alive Jazz music the only art form created by Americans reminds us that the genius of America is improvisation a good beat a contagious rhythm an emotional ballad creative improvisation jazz has it all Jazz is the story of extraordinary human beings black and white male and female children of privilege and children of despair who were able to do what most of us only dream of doing create art on the spot Their stories are told in *Blue Notes* *Blue Notes* contains profiles of 365 jazz personalities one for each day of the year Each vignette tells a story some heartwarming others tragic but all memorable The daily entries also provide valuable information on jazz styles jazz history instruments and instrumentalists and such related topics as jazz and religion women in jazz drug and alcohol abuse and racism These topics can be referenced through an extensive set of indexes The book s appendix includes helpful background information a concise overview of jazz music and even a quiz on jazz biography While *Blue Notes* is written for jazz fans in general experts will value its comprehensive nature So whether you are curious about jazz or

simply love and appreciate music Blue Notes will provide daily moments of discovery and help you recognize what the rest of the world already has a music so compelling that it can be said to define the human being in the twentieth century

Compendium of Over 2000 Jazz Pianists Arnie Fox, 2007-05 You will be amazed at how many jazz pianists have never been heard on the radio or even mentioned in any jazz book [Jazz and Cocktails](#) Jans B. Wager, 2017-03-21 Film noir showcased hard boiled men and dangerous femmes fatales rain slicked city streets pools of inky darkness cut by shards of light and occasionally jazz Jazz served as a shorthand for the seduction and risks of the mean streets in early film noir As working jazz musicians began to compose the scores for and appear in noir films of the 1950s black musicians found a unique way of asserting their right to participate fully in American life Jazz and Cocktails explores the use of jazz in film noir from its early function as a signifier of danger sexuality and otherness to the complex role it plays in film scores in which jazz invites the spectator into the narrative while simultaneously transcending the film and reminding viewers of the world outside the movie theater Jans B Wager looks at the work of jazz composers such as Miles Davis Duke Ellington and Billy Strayhorn Chico Hamilton and John Lewis as she analyzes films including Sweet Smell of Success Elevator to the Gallows Anatomy of a Murder Odds Against Tomorrow and considers the neonoir American Hustle Wager demonstrates how the evolving role of jazz in film noir reflected cultural changes instigated by black social activism during and after World War II and altered Hollywood representations of race and music **Choice**, 2006 *NEA Jazz Masters*, 2008 CD contains over 40 Jazz Moments originally aired on XM Satellite Radio which include interviews musical samples historical information and first person anecdotes **Sourcebook for Research in Music, Third Edition** Allen Scott, 2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come **Wading in Water** Robert P. Vande Kappelle, 2021-11-11 At a time when people are increasingly considering themselves spiritual but not religious Wading in Water speaks of spirituality as an individual's connection to a greater whole Hence the process of coming to know what we call God is also the process of knowing oneself Thinking comprehensively spirituality involves what is what can be and what ought to be When activity rationality and morality are infused with creativity and imagination meaning that when body mind and soul are inspirited or

harmonious with Spirit spirituality is authentic healthy and vital Healthy spirituality is integrative both individually and corporately in that it emerges from wholeness and yearns for wholeness How do we know if we are on a path to increased wholeness When we experience not only individual well being but help generate the same well being toward others In other words wholesome self love leads to greater love for others and for all of life While Wading may be seen as a text on spirituality its uniqueness is its connection of spirituality with creative arts such as poetry literary allegory film music theatre drama and dance Wading is not a comprehensive study for the purpose is to promote the enrichment of life through beauty creativity diversity risk taking newness serendipity and synchronicity joint features of spirituality and the arts Like its companion text Walking on Water this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

Jazzing Thomas H. Greenland, 2016-05-15 How do we speak about jazz In this provocative study based on the author's deep immersion in the New York City jazz scene Tom Greenland turns from the usual emphasis on artists and their music to focus on non performing participants describing them as active performers in their own right who witness and thus collaborate in a happening made one of a kind by improvisation mood and moment *Jazzing* shines a spotlight on the constituency of proprietors booking agents photographers critics publicists painters amateur musicians fans friends and tourists that makes up New York City's contemporary jazz scene Drawn from deep ethnographic research interviews and long term participant observation *Jazzing* charts the ways New York's distinctive physical and social cultural environment affects and is affected by jazz Throughout Greenland offers a passionate argument in favor of a radically inclusive conception of music making one in which individuals collectively improvise across social contexts to co create community and musical meaning An odyssey through the clubs and other performance spaces on and off the beaten track *Jazzing* is an insider's view of a vibrant urban art world

Basic Music Reference Alan Green, Michael J. Duffy, IV, 2012-11-01 Basic Music Reference is a quick start guide designed to introduce library employees to the basic tools and techniques involved in answering questions related to music As in every specialist subject area music has its own terminology but unlike most it also has a multitude of formats on paper and other materials as well as special notation and frequent use of foreign languages in titles and texts These features make it particularly difficult for library employees to answer users questions and thus a guide such as this one is essential Not all libraries with a music collection can afford to hire a music reference librarian Even libraries with such a specialist rely on support staff and student employees to answer questions when the music librarian is not available Whatever the scenario this volume will serve as a helpful training tool for library employees to learn about the basic music reference tools and to

develop the techniques of greatest use when answering the most common types of music related questions *ARSC*
