Answer To Super Size Me

M Lipman

Answer To Super Size Me:

Fast Food Vindication Lisa Tillinger Johansen (MS, RD.),2012 For years dozens of books documentaries and magazine articles have targeted the fast food industry as the cause for many of society s ills ranging from the obesity epidemic to the proliferation of dead end jobs Now hospital dietitian Lisa Johansen makes the bold case that the fast food industry is actually a positive force in society Johansen takes the reader from the industry s scrappy entrepreneurial beginnings to its emergence as a global business generating hundreds of billions of dollars annually Far from a blight on society the fast food industry has distinguished itself by providing a product that meets high standards of quality and safety often healthier than meals served at home and in sit down restaurants The myth of the McJob is debunked by true life cases of corporate titans who succeeded by virtue of the fast food chains practice of promoting from within And relying on her years of counseling patients at one of the nation s largest health networks Johansen shows the reader just how easily fast food can be incorporated into a healthy lifestyle Lively and informative FAST FOOD VINDICATION destroys the media myths and paints the true picture of an industry that touches the lives of millions

All the Feels for Teens Elizabeth Laing Thompson,2021 No one knows more about living with all the feels than teenage girls. They can flit from giddy to anxious to insecure to in love oops wait just kidding out of love to chill to stressed to ecstatic to despairing to rebellious to penitent to cynical to naïve to independent to clingy to selfish to selfless all with a heaping side order of angst and adorability all in a span of hours, sometimes minutes. In other words, all the feels all the time. Yep, no one knows about having all the feels quite like teenage girls, but few girls know what to do with all those feelings. Christian teens need Bible-based help to show them that it's okay to feel deeply, after all, God himself is the Author of all feelings, but each of us must learn to train our emotions in the ways of Christ. As they learn how to deal with all the feels, girls need scriptural foundations, practical strategies, and the assurance that they are not weird and never alone.
