cities and country is heartbreaking Our worlds feel ripped apart and we all know the pain of feeling separated While we
universally agree on the need to bridge our divides our calls for unity often intensify our differences instead of healing them
One significant reason is the irresponsible use of science Its misuse abuse and overuse have deepened our divides This book
begins with accessible chapters on the fundamentals of scientific tools gradually progressing to discuss their abuse in the
most contentious debates of our time including global warming COVID 19 Big Pharma abortion and gender fluidity After
reading you ll gain the ability to critically assess scientific claims in the news and engage in debates where science is
misrepresented Join me on this journey to unravel the misuse and limits of science and take a transformative step toward
healing our divide Roy Jafari
