Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1967 **The scientific dialogue linking America, Asia and Europe between the 12th and the 20th Century.** Fabio D'Angelo, 2018-06-11 The first volume of Viaggiatori Curatele series seeks to recreate some scientific dialogues namely meetings exchanges and acquisition of theoretical and practical scientific knowledge thus linking the cultural historical and geographical context of America Asia Europe and Mediterranean Sea between the 16th and the 20th century More specifically the main objective is to consider the role of travellers as passeurs as intermediaries for building and allowing the circulation of knowhow and the practical and theoretical knowledge from one continent to another **El-Hi Textbooks and Serials in Print**, 2006 **Bibliotheca Americana. A Catalogue of a Valuable Collection of Books ... Manuscripts, Maps ... Illustrating ... America, Etc** John Russell Smith, 1865 **Bibliotheca Americana** John Russell Smith, 1865 **Bibliotheca Americana** John Russell Smith, 2022-03-15 Reprint of the original first published in 1865 Illustrating the history and geography of north and south America and the west Indies altogether forming the most extensive collection ever offered for sale The Complete Idiot's Guide to Learning Latin, 3rd Edition Natalie Harwood, 2006-08-01 An updated guide to the language of the Roman Empire Whether interested in learning Latin or just seeking a deeper understanding of English readers will find a fun alternative to the standard dusty tomes usually associated with Latin Included in this revised edition are updated vocabulary lists relevant to today's world expanded pronunciation guides Latin to English and English to Latin translations and a workbook of exercises reading passages and tools for greater comprehension of the language In 2002 the number of high school students taking Latin tests for college credit had risen 95% since 1993 According to CNN educators are increasingly turning toward Latin to improve student performance in reading math and science Perfect reference tool for law school medical school music school and other graduate school students faced with getting through a Latin course as a requirement Researching Yugoslavia and its Aftermath Branislav Radeljić, Carlos González-Villa, 2021-06-14 In *Researching Yugoslavia and its Aftermath* a common thread is the authors path through the time and space context in which fieldwork has taken place Accordingly this collection tackles problems that have always existed but have not been dealt with in a single volume In particular it examines a range of methodological questions arising from the contributors shared concerns and thus the obstacles and solutions characterising the relationship between researchers and their objects of study Being an interdisciplinary project this book brings together highly regarded historians sociologists anthropologists political scientists cultural and social theorists as well as experts in architecture and communication studies They share a belief that the awareness of the researcher's own position in fieldwork is a precondition of utmost significance to comprehend the evolution

of objects of study and hence to ensure transparency and ultimate credibility of the findings Moreover the contributors come from diverse backgrounds including authors from the former Yugoslavia and others who have made their way to the region after starting their research careers some from universities in the area others from institutions in the Global North Here they explore cross cutting issues such as the repercussions of gender nationality institutional affiliation and the consequences of their entry into the field This is examined in terms of the results of the research and the ethical aspect of the relationship with the object of study as well as the implications of the chosen time framework in the methodological design and the clash between this decision and the interests of the actors studied
